Madison Plans Bond Issue For Additions to Schools

The Madison school board instructed its legal department to take preliminary steps leading to a bond issue referendum to construct additions to the high school and Dunbar elementary school during a meeting Tuesday night.

Preliminary estimates of costs by school architect Virgil Dulgeroff were \$530,000 for the high school addition and \$180,000 for the grade school addition.

No date for the referendum or for start of construction have been considered, and Dulgeroff is to delay further work on plans until after the start of school when teachers to be involved may be consulted.

A floor plan design for Dunbar provides six classrooms, including a kindergarten, a small teachers lounge, a night office, a storage area, rest rooms and a kindergarten playground.

The board previously authorized negotiations for purchase of two adjacent lots from Mr. and Mrs. Marion Officer, East St. Louis, to provide the necessary space.

Boy, 16, Injures Leg While Playing Football

Vernon Gray, 16, son of Mr. and Mrs. William Gray, 2236 Faith avenue, was admitted Tuesday at St. Elizabeth hospital after he injured his left leg playing football.

Others given treatment Tuesday in the emergency room included: Kim Hunt, 8, daughter of Mr. and Mrs. Don Hunt, 2134 Lynch avenue, who had a rock removed from her right eye. It became imbedded when she fell from her bicycle.

Elwin Nierpert, 8, son of Mr. and Mrs. Wilbert Nierpert, 2429 Woodlawn avenue, suffered two puncture wounds to his left foot when he stepped on a garden rake.

Mrs. Marjorie Roach, 801 Kirkpatrick Homes, injured her right ankle, hand and knee when she fell from a porch. Mark Hansen, 12, son of Mr. and Mrs. Floyd Hansen, 2438a Benton street, underwent x-rays after he fell injuring his left hand.

Johnny Heil, 3, son of Mr. and Mrs. Gerald Heil, 1648 Fourth street, Madison, had five sutures taken above the right eye after he fell from his bed. Louis Arnold, 8, son of Mrs. Shirley Arnold, 1221 Madison avenue, suffered a cut to his left thigh in a fall. John Brooks, 9, son of Mr. and Mrs. Lloyd Brooks, 402 Kirkpatrick Homes, cut his right leg in a fall. Carl Robinson, 12, of 2138 Lee avenue, underwent x-ray of his ribs which he injured in a fall earlier this week.

Air Pollution Course Offered Industrialists

Local industrial personnel are invited to participate in an air pollution training course at Washington University, Sept. 15-17, sponsored by the U. S. Health Service. Air Training Section for the Robert A. Taft Sanitary Engineering Center, Cincinnati, Ohio.

The course entitled "Community Air Pollution" is designed for sanitarians, technicians, and inspection personnel for the daily conduct of local air pollution programs. The material to be covered makes this course of value to industrial personnel engaged in air pollution measures. The course emphasizes the practical aspects of a control program such as equipment calibration and maintenance, sampling techniques and site selection, and types of pollutant sources.

Anyone interested in the course can obtain additional information and application forms by calling the Interstate Air Pollution Study office, MA 2-8357.

14th Edwardsville Mishap

Auto driven by Charles G. Buttrey, 2391 Waterman avenue, and Earl Branch, 2623 Lincoln avenue, were involved in an accident at 5:10 p.m. Tuesday at Branch, thinking Buttrey was going to make a right turn off Edwardsville road onto 14th street, entered the intersection. The right side of the Buttrey car was struck.

Speeding Charge Filed

Walter C. Stawer, 2245 Gary avenue, was arrested on a speeding charge about 8 a.m. Wednesday at 2600 Madison avenue. He was summoned for a hearing on Sept. 10.

Drunk, Conduct Charges

Eather Tidwell, 50, of 1932 Spruce street, was arrested at 10:35 p.m. Tuesday at his home on charges of intoxication and disorderly conduct.

High School Plans

Tentative plans for the high school addition, announced last month, include seven classrooms, an addition to the cafeteria, partition of the shop area, a girls physical education playground, new science and language laboratories and extended locker rooms. Wessel Brown, superintendent, reported that 80% of the summer building improvements have been completed. Most of the work was at Dunbar school, where a new boiler was installed and the grounds were blacktopped.

Brown was authorized to act as official representative of the board and to sign agreements in participation in the following special education programs for the next year:

Special Programs
School social service, speech correction, physically handicapped, educable mentally handicapped, cooperative programs with other schools systems, the Madison County Psychological Association and any other cooperative programs that may develop.

He also was authorized to cooperate with the state superintendent of public instruction and

the Illinois Public Aid Commission in plans for adult basic education, and to serve as the representative for federal programs, including Public Law 874, the National Defense Education Act and other recent federal proposals, including the anti-poverty and elementary and secondary school act programs as they develop.

Brown reported that by 1969 every school district in the state will have to conduct a complete special education program, according to new state requirements, if the districts are to remain eligible for state aid. He added, however, that the state is providing the financial means to pay for the programs.

Teacher Resigns
The board accepted the resignation of Mrs. Alice Carter, second grade teacher at Blair School, for personal reasons, and hired Mrs. Debra H. Norsworthy of East St. Louis as a primary teacher at Blair. Mrs. Norsworthy holds a bachelor's degree from Jackson State College and has two years of experience.

Named cafeteria suppliers for the next school year were American Bakeries, bread; Schulz-Burch, crackers; Miller Provi-

sion, meat; Public Produce Market, St. Louis, fresh vegetables; Efray Foods, Switzer Wholesale Supply, Draft Foods and Conrad, canned goods and paper items; Independent or Meletto Fish, fish and frozen food items; Madison and Union Coal and Feed, sugar and flour; Auro-Dressel Dairy, milk; and Ravarino and Freschi, macaroni-noodles.

Taxes Received
A financial report by treasurer Ray Kozielek showed July 31 cash balances of \$63,406 in the educational fund, \$8494 in the school lunch fund, \$387 in the building fund, \$15,854 in the bonds and interest fund for a total of \$88,061.

Kozielek added that he received tax collections of \$47,567 from Namski township July 30, \$150,000 from Venice township Aug. 4 and \$14,000 from the county treasury on Aug. 13 for a total of \$221,567, or 30.4% of the levy.

The board approved July educational salaries of \$18,022, plus \$149 for driver education and \$11,322 in various withholding accounts for a total of \$30,323, and July bills of \$14,972 from the educational fund and \$583 from the building fund.

Calls Officer Names, Faces Two Charges

Lawrence Powers, 33, of 607 Mercedia street, Venice, walked into Venice police headquarters at 9:50 p.m. Tuesday and told the officers on duty that all policemen "are no good." According to the officers, he proceeded to call them a long list of uncomplimentary names.

Wednesday morning Powers was arraigned in magistrate court on a charge of disorderly conduct and resisting arrest. The latter charge was filed when Powers resisted their attempts to put him in a cell Tuesday night. Powers was fixed at \$50 cash or \$500 property. He was unable to make bond and remained in jail Wednesday.

Parked Car Damaged

A parked auto owned by Jeanne Hornberger of 18 Cambridge drive was damaged at 2 p.m. Tuesday on the parking lot of Nick's Diner at Venice when it was struck by a truck driven by Joseph Turner, Greenfield, Ind. The Hornberger car was damaged on the left rear fender. Turner told police his truck was undamaged.

GC Council Defers Stop Sign Removals and Installations

Conferences between the city's new traffic safety engineer and protesting aldermen of the Second and Fifth Wards—Bartosiak and Nomm—are being scheduled for this week as the council deferred action Monday night on stop sign removals and new stop sign installations.

The deferral of the two ordinances was requested by Nomm and Bartosiak. Both Nomm and Bartosiak noted that several stop sign removals were listed in the vicinity of schools in their wards, and they asked the engineer and citizen Traffic Study Commission to withhold the ordinances until surveys could be made after schools open next week.

Deferral action delayed approval of the ordinances until the Sept. 7 session, since there is no council meeting next week. The fifth Monday of the month.

Fire Lane on W. 22nd

Many of the stop sign removals in the Fifth Ward are designed to open West 22nd street as a cross-town fire lane for the quick movement of equipment from the main fire station at 22nd street and Madison Avenue to West Grand.

While most of the stop signs slated for removal were put up in the 1930s and the current decade, it was noted several were authorized in the 1940s and at two locations in 1956. The stops on West 22nd street at Bryan Avenue and at Illinois Avenue were put up 25 years ago.

Mayor Parney attempted to proceed with the stop sign action, suggesting the deferrals apply only to signs located in the Second and Fifth Wards.

Technical Error Called
Second Ward Alderman Whitmer called a technical error of Nomm, pointing out Nomm's initial deferral request was made after the stop sign removal ordinance was read but before any action was proposed.

Nomm protested, but then when confronted with confirmation of Whitmer's stand by the city attorney, agreed to withdraw the deferral. However, he made it again immediately after the motion for first reading was made by Parney.

Parney then arranged for the traffic engineer, George Crawford of Springfield, to meet this week with Bartosiak and all other aldermen were invited to participate.

Seeking support of the Traffic Study Commission's program to develop a safe, efficient traffic movement pattern for the city, Mayor Parney called for a show of hands by aldermen willing to cooperate with the city group and engineer. He received affirmative stands from the First, Third, Fourth, Sixth, Seventh and Eighth Wards.

Proposed Removals
The initial stop sign removal ordinance lists the following locations:

Taking stops off Edgewood drive at Willow Avenue, off Niedringhaus at Walnut, off West 20th at Leyden, off West 20th at Spruce, off West 20th at Jefferson, off Cleveland at 22nd, off Delmar at 22nd, off Rock road at Denver, off Benton at 22nd, off Niedringhaus at Chester, off West 22nd at Ohio, off West 22nd at Dewey, off West 22nd at Bryan, off West 22nd at Illinois, off removal of four-way stops at West 22nd and Nevada; off West 20th at Union; removal of the four-way stop at Niedringhaus and Poplar.

Off Johnson road at Edgewood, Johnson road at Del Rio; off 23rd at Adams, off 23rd at Benton; off 22nd at Niedringhaus, off 22nd at Washington, off Washington at 22nd and off 22nd at Niedringhaus.

Switching of Signs
It was noted that the ordinance to install stop signs merely switched the locations at several of the intersections where stop signs are slated for removal.

The new stops proposed are at the following locations:
On Ohio at West 22nd; on Nevada at West 22nd; on Bryan at West 22nd; on Dewey at West 22nd; on Illinois at West 22nd to control westbound traffic on 22nd at Adams southbound traffic on Union; on Adams at 23rd; on Benton at 23rd; on 22nd at Washington; on Washington at 22nd; on Poplar at Niedringhaus and to control eastbound traffic on Johnson road at Edgewood drive.

Night School at GCHS

Registration for Adult Education Opens Monday

Registration will begin at 8:30 a.m. Monday in the Granite City senior high school and continue daily through Sept. 2 for Adult Education classes to be held in the senior high school, starting Sept. 7. Registration will be conducted on each of the four days, Aug. 30 and 31 and Sept. 1 and 2, from 8:30 a.m. until 9 p.m.

Seventeen courses will be offered, but others will be offered if registration proves there is sufficient demand. Registration for one of these—driver training—will start at 9 a.m. Monday instead of 8:30 a.m., and will continue indefinitely until classes are filled.

Other courses being offered include general education development which will include basic education, reading and mathematics for first through ninth grades and organized review for state high school equivalency examination. New math for parents, chemistry and homemaking also are among proffered courses, while bookkeeping also will be offered in beginner, intermediate and advanced classes.

Additional class offerings are computer, stenography, typing, investments and industrial mechanics. A course on drawing will include basic blue print reading and sketching, trade blue print reading, electrical, mechanical and structural drawing. A course in electricity will include work on direct and alternating currents, motor control, electronics and radio and tv. Courses also are planned in industrial mathematics, machine shop work, sheet metal and triangulation and welding.

Venice Lions Seek Visit by Governor

Nineteen members of the Venice Lions Club held a dinner meeting Monday evening at the Elks Club in Granite City with Jim Miller, president, presiding.

The business session. An invitation has been sent to Vernon K. Heuchart, Lions district governor, asking him to attend a meeting in October.

Mayor John E. Lee, discussed the possibility of a food stamp program for Madison and St. Clair counties available through the department of Agriculture.

Milton Morris, gave a talk on the story "Man Belongs to Man," a condensed version taken from "The Teaching of Reverence for Life" by Albert Schweitzer.

Venice Lions Club members are invited to attend the Madison Lions "play day" event to be held Saturday at the Arlington golf course.

The next regular meeting will be held Sept. 13 at the Elks Club.

Boy Shoplifters Caught

Two boys, eight and 10 years old, were caught shoplifting at 10:10 a.m. Wednesday at the A & P Food store. Police were called, and the boys were turned over to their parents after questioning.

Dancing Pupils Model Sports Clothes at Sun 'n Fun Style Show

\$1,461,136 Fund Boost For Alton State Hospital

Alton State Hospital has been allocated an increase of \$1,461,136 for operating expenses during the 1967-68 biennium. It was announced Wednesday by Dr. Abraham Simon, superintendent.

The additional money from the general revenue fund will be used to improve patient services which are considered priorities under the hospital's treatment program. The biennium began July 1, and extends through June 30, 1967.

Categories receiving major gains were personnel services (payroll), contractual services, travel and placement services, which involves boarding patients in community homes.

\$1,988,734 Total
The total allocation for the hospital is \$1,988,734 as compared with \$10,322,508 in the last biennium. The current appropriation for the entire Department of Mental Health is \$275,421,039.

A. K. Smith, assistant superintendent of the administrative division, said he was gratified by the increase because it would

make possible improved programs to cooperate with the new department.

He referred to the necessity of enlarging the work force for improving the employee-patient ratio, which currently stands at approximately 1 to 2 1/2. He noted, however, that most of the current payroll allocation was already committed due to the heavy influx of employees in the early part of 1965.

He said the extra money for travel and boarding out of patients was essential in meeting the needs of the new Mental Health Code, which calls for more frequent evaluation of cases. Since the new code came into effect July 1, 1964, the hospital has boarded out or discharged nearly 300 patients, he pointed out.

With more patients in foster homes and shelter care homes, more money is required for their maintenance and, of course, Smith observed, additional funds are needed for staff members to provide outpatient services to such patients.

MORE ABOUT \$706,573 School

(Continued from Page 1.)

Illinois municipal retirement as the same amount is budgeted in the municipal retirement fund, a separate account.

Another addition was \$150 for high school summer classes, a new item under student and community services. Transportation funds and deficits also were removed from the educational fund as another duplication which appears in the transportation account.

Transportation costs showed a small increase because of an additional four days of school required this year by the state and for extra transportation.

Budget, Levy Breakdowns
The new budget included \$2,069,278 for the educational fund, \$252,600 for the school lunch fund, \$102,724 for the building fund, \$103,038 for the bonds and interest fund, \$17,800 for the municipal retirement fund and \$21,325 for the transportation fund.

The new levy includes \$481,000 for the educational fund, the same as last year; \$80,000 for the building fund, same; \$103,038 for bonds and interest, up \$207,513,600 for transportation, up \$7,100; \$20,000 for municipal revenue, up \$3,300; \$80,000 for junior college tuition, up \$8,000 and nothing for deficiency bonds and interest, down \$58,944.

The superintendent explained that 1 1/2 per cent of the junior college tuition was added for the 1966-67 year, 1 1/2 per cent for the purpose will be for the year 1967-68.

Under a new state law, school districts must make up the balance of tuition not covered by state or federal aid for students or adults wishing to attend any junior college in the state if they apply before July 1, Brown said, but currently there are no such students in the school district.

Miss Schroeder
On Honor Roll
The name of Miss Ruth Ann Schroeder, daughter of Mr. and Mrs. E. MacShall Schroeder, 1731 Johnson road, appeared on the honor roll for the year at Jewell High School, St. Louis.

She is attending the School of Nursing there.

Groups Volunteer To Make 200 'Ditty Bags,' 500 Needed

Several local organizations have volunteered to make about 200 "ditty bags" for hospitalized American soldiers in Vietnam. It is announced today by Mrs. Ruige Overbeck, executive director of the American Red Cross, St. Louis.

She added that additional church groups and service organizations will have time to contribute the remaining 300 bags before the deadline date of Oct. 1.

Constructed from a "strong" dark-colored material, the bags should be 12 1/2 inches wide by 17 1/2 inches deep, Mrs. Overbeck explained. Interested groups may obtain further instructions by calling the local Red Cross office at GL 2-7184.

The bags will be used by the hospital patients to hold sundries, such as toothpaste, combs, razors, toothbrushes, and similar necessities, or as a container for any personal possessions the soldiers and airmen may have.

The project recently was started on a national basis, and the midwestern region has been asked to provide 11,000 bags by Oct. 1. The local quota was set at 500 bags, Mrs. Overbeck said.

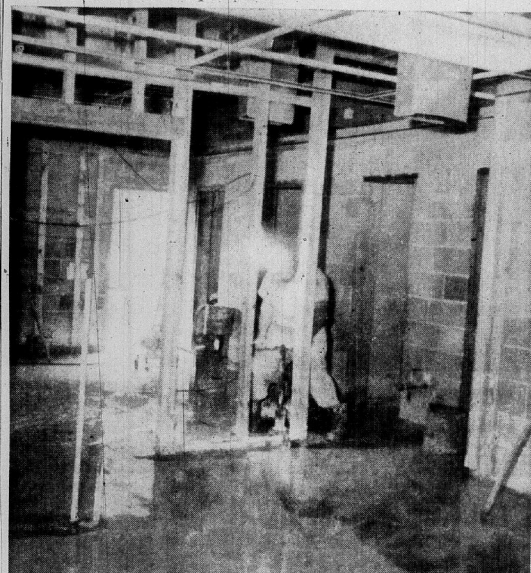

Oliver Short, 57, Dies
Of Sudden Heart Attack

Franklin Short, 57, of Franklin avenue, a lifelong resident of Granite City, was pronounced dead on arrival at St. Elizabeth Hospital at 2:30 p.m. yesterday after he suffered a heart attack while at work. He had been in the office for a few hours when he died.

Mr. Short had been employed for the past 20 years as a draftsman at General Steel Industries, Inc. He was born in Granite City and had attended local schools. He was a member of Hope Lutheran Church.

Survivors include his wife, Mrs. Ruth Short; a son, Robert Short, of Granite City and two grandchildren.

Funeral arrangements are given in today's obituary column.

By Press-Record Staff Photographers

WORKMAN PUTS FINISH on the floor of the new office building constructed for school officials at Venice. The building was erected behind the gymnasium of the Venice school and is expected to be ready for occupancy in October. The building will house offices for John Pieper, superintendent of schools, the school board and the principal of the Venice grade school.

State Directive

County Fee for Birth, Death Certificates to be Doubled

Miss Eulalia Hotz, Madison county clerk, is announcing fee changes that affect her office beginning Sept. 1 in accordance with Senate Bill No. 255 as passed by the recent session of legislature and approved by Gov. Kerner.

Fee for a birth or death certificate will be \$2. This fee includes the search fee and a certified copy of the record. If no record is available, then a certificate stating that fact will be furnished upon request. A further fee of \$1 is required for each additional certified copy requested at that time. This increased fee was urged by the bureau of vital statistics of the state department of public health.

Homer "Galt" Pendleton, city clerk for Granite City, who issues copies of birth and death certificates for the Quad-Cities, said he increased the fee about two weeks ago when the initial notice was received from Springfield.

"Of course," he said, "the letter wasn't too explicit, so if a family comes in and wants copies of birth certificates for three or four youngsters, I just charge \$2 for the first one and \$1 for each of the others."

Prior notice was given by Miss Hotz that a fee for marriage licenses was increased from \$3 to \$5. This increase took effect July 1. The Governor also signed a law making it possible for parents to consent to minor marriages in counties where the license is applied for. Previously, a parent was required to give written consent before the county clerk in the county where the minor person resided.

Notary Fee Up
The new fee for registering a notary commission with the county clerk is \$1, formerly 25 cents. Renewals of Commissions come under the same law and fee. After a notary commission is issued by the secretary of state's office, the appointee is required to register the Notary Commission with the County Clerk in the county where the notary resides.

Another bill enacted into law requires that filing of annexation ordinances and maps with the county clerk of the county

County CORE Election Sunday in Eagle Park

Madison County CORE will hold an election of officers Sunday at 3 p.m. at 119 Booker street, Eagle Park. The public is invited to attend.

Mrs. Lurid Wooten, vice-president, will be in charge at the meeting.

wherein the annexed territory is located. This becomes the duty of the Clerk of the municipality involved.

Miss Hotz was pleased that Senate Bill No. 255 was approved by the governor since it provides for the secretary of state to reimburse the county for postage and other mailing expenses and the distribution required of county clerk's proposed Constitutional Amendments.

She is securing photocopies of all bills affecting the county clerk's office as well as the county and most particularly those bills that affect tax rates. There have been quite a few changes that affect school tax rates and the county rate for general fund purposes as well as the limitation of county highway tax rate limitations.

The tax department of the county clerk's office will not complete tax rates for the year 1965 until the board of review completes their work, which is usually about early in January 1966.

Former GC Resident,
A. A. Pfeifer, 55, Dies

Former Granite City resident, Arthur A. Pfeifer, 55, of Whittier, Calif., died yesterday afternoon at a hospital in that community, where he had been employed at Nesco Steel Barrel Co. prior to leaving the city.

He is survived by his wife, the former Miss Pauline Hottelinger of Granite City, two minor children who live at home, Mark, Paula and Tony; a married son and daughter, Arthur E. Pfeifer of Whittier and Mrs. Janet M. Lytle of Cedar Rapids, Ia.; and eight grandchildren.

Local survivors include an aunt, Mrs. Lena Schwartz, 2302 Kirkpatrick Homes, and a sister-in-law, Mrs. Fred Tritsch, 2501 Sheridan avenue.

Funeral arrangements will be held Saturday morning in Whittier.

MORE ABOUT Sewer Bond

(Continued from Page 1.)

ers of the protesting organizations maintained the township should first investigate the availability of federal funds, then issue bonds in the amount necessary to make up the difference in cost.

Town officials maintained, on the other hand, that federal laws covering such grants required approval of a bond issue first, and that if the plan presented Tuesday was approved, the amount of bonds needed would be sold.

Voting by Precincts
Biggest defeat of the bond proposal in Tuesday's election developed in Precinct 3 which included Whittier, Miracle Manor, New Haven and Cooke subdivisions, where the vote was 687 ballots opposed to the bond issue and only 52 in favor. Total vote was 764 with 25 spoiled ballots.

In Precinct One, the Pailson Beach and Long Lake area, the negative vote was 509 ballots to 87 in favor. A total of 623 residents voted in that precinct, and 27 ballots were spoiled.

In Precinct Two in the East Madison area the vote was 274 to 129 against the bond proposal, with a total vote of 429 and 36 spoiled ballots. In State Park place, 272 residents voted in favor of the bonds, compared to 86 "no" votes. Total vote was 373 with 17 spoiled ballots.

Rain marred much of the day Tuesday, a factor that occasionally favors a campaign by an official organization. It rained, however, to delay the vote, as long lines of voters stood in the rain to await turns in the voting booths late Tuesday afternoon.

Police Searching
For Light Blue Car
Granite City police early today searched for a light blue 1965 two-door auto and four men who were seen to leave the used car lot at Matthews Chevrolet Co. on Nottingham avenue about 12:30 a.m.

Police said later this morning there was a report of an item missing at the auto agency.

Naval Technician Mock To Go To Purdue

Naval Electronics technician Second Class Jesse J. Mock Jr., son of Jesse J. Mock Sr., was among 146 graduates of the summer Navy Enlisted Scientific Educational Program session which ended recently at the Naval Propaganda School's training center in Bainbridge, Md. Technician Mock will not attend Purdue University, Lafayette, Ind.

NESEP is one of the opportunities available to enlisted men for obtaining a commission as an officer. The Prep School's summer course consisted of refresher studies in English, chemistry, physics, algebra and trigonometry. The course is designed to prepare NESEP candidates, selected Navy-Marine Corps personnel, for entrance into civilian colleges to work for a baccalaureate degree. Upon graduation from Purdue he will be sent to

PRESS-RECORD SPORTS

Rozycki, Polish Hall Win Open Softball League Division Titles

Polish Hall and Rozycki each won their division playoff titles with victories last night in Open League slow-pitch softball games at Wilson Park. Both teams previously had taken their respective division championships in regular league play.

Polish Hall dumped Mexican (Honorary) Commission 1351 for the Red Division crown. The losing team scored its only run in the fifth on a triple by Joe Gonzales and a single by Louis Beerra.

Top batters for the winner were Duke Friend and John Conkovich, each of whom collected four hits in as many at-bats. Jim Goodrich pitched a six-hitter and took the win.

Rozycki overcame a four-run deficit and defeated the Eagles 10-5 in the Blue Division title game.

The Eagles crossed the plate five times in the second inning after Rozycki had come up with a single tally in the first. The winning team then held its opponent scoreless the remainder of the game while scoring two runs in the third, one in the fourth, three in the fifth and three in the sixth.

Bill Simpson and Larry Cooper each clouted a homer for Rozycki. Jerry Walker had a four-run, four plate performance for the Eagles.

QUICK HANDOFFS are being practiced by Madison high school grid prospects in scrimmages which began this week on the practice field in the rear of the school. Allen Rendell prepares to receive the ball from quarterback Steve Geroff. The charging center is Bert Armour with other hopefuls in the background waiting their turns.

30 Varsity Candidates Report For Football Practice at Madison

About 30 varsity candidates, including 14 lettermen, participated in Madison High School's first football practice session of the season Wednesday morning.

Senior letterman who reported are Louis Ratliff, a 155-pound end; Alton Rendell, a 200-pound back; Ed Ingram, a 245-pound tackle; Art Neuhardt, a 185-pound tackle; Bernard Phillips, a 165-pound back; and John Brake, a 155-pound back.

Junior letterman who took part in the initial workout, with their weights in parentheses, included the following: Steve Geroff (180), quarterback; Steve Shipoff (165), quarterback; Marvin Ovca (155), tackle; Ron Burt (155), back; Sam Jones (165), back; Greg Wasylak (165), back; Joe Podnar (165), guard; and Neil Podoba (155), end.

Improved Team
Head Coach Glen Pickering

stated, "We definitely will be improved over last year." The Trojans compiled a 1-7 win-loss record in the previous campaign.

Pickering went on to say: "We will be weaker in the line but stronger in the backfield. I'm looking for a strong side tackle to replace Jack Miller who graduated. Ovca, Ingram or Neidhardt are the best prospects for that position. Center is another weak spot."

Pickering also thought that the revised schedule would work to his team's advantage. Last year the Trojans had to face their toughest opponents, Edwardsville, Granite City and Cahokia. In the first three contests of the season.

The Trojans dropped all three games and were off to a bad start from which they could not recover. This season they will again play Edwardsville and Granite City in the first and second games of the season; however, the Cahokia tilt is the last one on the schedule.

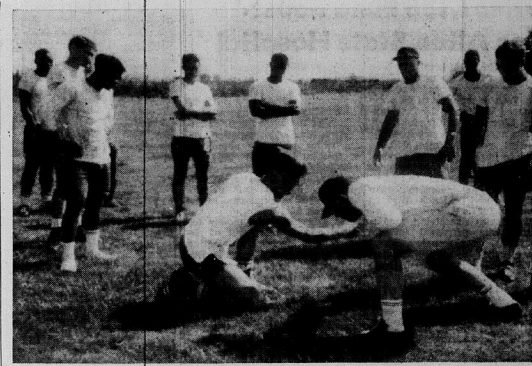

Wing 'T' Offense
What about the backfield? Pickering answered, "Quarterback is a toss-up between Shipoff and Geroff. Rendell, Jones and Burt have been impressive. Jones and Burt are fast, outside of those two we are of average speed." The Trojans' offense will again operate out of a wing "T."

When asked who are the strongest opponents his team will face during the upcoming season, Pickering mentioned Granite City and Edwardsville of the nonconference teams with Cahokia and Roxana being the strongest conference foes.

Pickering rated the following gridsters, who are not lettermen, as good prospects: Bert Armour (190), sophomore center; George Campbell (200), sophomore end; Travis Ship (155), sophomore center; Terry Stawar (175), sophomore guard; Joe Collins (165), sophomore end; John Williams (155), senior back; Howard Green (155), sophomore back; Terry Brake (155), sophomore back; and Martin Griggs (150), sophomore back.

Additional athletes are expected to come out for the team when school begins next week. Pickering said.

BALANCE AND WEIGHT distribution is being stressed by Madison grid coach Glen Pickering as he demonstrates with the assistance of Greg Wasylak, a squad hopeful, how easily an off-balanced man can be stopped.

Pairings for Boys Park Baseball Tournaments This Weekend Announced

Pairings for the boys baseball tournaments scheduled for Saturday and Sunday at Wilson Park have been announced by Jerry Dancy, tourney manager.

Four tournaments will be held, one for each of the following divisions: Atom, Bantam, Midget and Juvenile. The teams entered, both local and out-of-town, are among the stronger representatives from their respective leagues.

First-round games in the Atom division will begin at 10:30 a.m. Saturday. Matched in these contests are the St. Elizabeth Cubs and Hazelwood, Mo., on diamond three; Barker Comets and Staunton on diamond four; Burger Chef and the Giants on diamond five and State Radio and Red Barn on diamond seven.

Semi-final contests will start at 1 p.m. Sunday with the following pairings: Cubs-Hazelwood winner versus Comets-Staunton winner on diamond three; Burger Chef-Giants winner versus State Radio-Red Barn winner on diamond four.

The winning teams in these games will be pitted at 4 p.m. the same day on diamond four in the championship tilt.

Bantam Games
First round games in the Bantam division will start at 1:30 p.m. Saturday. Paired against one another are Bellemeire Trojans and Hazelwood on diamond three; Triangle Heating and Staunton on diamond four; Local 30 and Cahokia on diamond five and Alhambra and Overland, Mo., on diamond six.

In the semi-final contests slated for 1 p.m. Sunday the Bellemeire Trojans-Hazelwood winner will oppose the Triangle Heating-Staunton winner on diamond five, and the Local 30-Cahokia winner will battle the Alhambra-Overland winner on diamond seven.

At 4 p.m. the winners of these games will clash on diamond five for the championship.

Midget Games
First round games Saturday in the Midget division are paired as follows: Barker and Wood River

at 9 a.m. on the softball field, Creve Coeur, Mo., and Boston Securities of Hazelwood at 11 a.m. on the softball field, Lebanon and the Firemen and Police of Hazelwood at 1 p.m. on the softball field, and Local 16 and Overland at 10:30 a.m. on diamond six.

In the semi-final contests scheduled for 1 p.m. Sunday the Barker-Wood River winner will tangle with the Creve Coeur-Boston Securities winner on diamond six, and the Lebanon-Hazelwood Firemen and Police winner will encounter the Local 16-Overland winner on the softball field.

At 4 p.m. the winners of these games will meet for the championship on diamond six.

Juvenile Games
Opening round games in the Juvenile division on Saturday will send Kozak's against Dellwood, Mo., at 9 a.m. on diamond two; Coachlight of Hazelwood against Seebold Concrete at 11 a.m. on diamond two; the Pioneers against Salvation Army at 1 p.m. on diamond two; and Chasida Construction Company of Hazelwood against Bloodworth Realty at 3 p.m. on diamond two.

The semi-final tilts will be played at 1 p.m. Sunday. Matched in these contests are the Kozak's-Dellwood winner and the Coachlight-Seebold winner on diamond two and the Pioneers-Salvation Army winner against the Chasida-Bloodworth winner on the high school field.

The championship game between the winners of the semi-final contests will be held at 4 p.m. on diamond two.

Trophies will be awarded to the winner and runner-up in each division tournament.

THE MADISON COUNTY SPORTSMAN

By DON HASTINGS
County Conservation Officer

A quick run down on the seasons. Pointers and digests should be delivered in a week or so. Quail season will be from Nov. 13th to Dec. 26th and the limit is eight. Rabbit season is from Nov. 22nd to Jan. 31st and the limit is five. Coon hunting season runs from Nov. 10th to Jan. 31st with no limit. Trapping season except beaver in southern zone will be from Nov. 25th to Dec. 31st and closes on Dec. 31st. Beaver only in Dec. 1st and closes on Jan. 31st. No limits on trapping.

Squirrel season in the southern zone opened on Aug. 1st and closes on Oct. 15th. The limit is five daily. Bow and Arrow season on deer opens Oct. 1st and runs to Nov. 15th. It closes then until Nov. 24th and opens again until Nov. 30th. It remains closed until Dec. 7th and reopens until final closing Dec. 31st.

All of the southern zone is open to bow hunting except Madison and St. Clair counties, where deer are completely protected. The shotgun deer season in open counties will be Nov. 19, 20 and 21 and Dec. 3, 4 and 5. Deer season will open at 1 p.m. DST on Sept. 1st and will close Nov. 9th. The limit is twelve daily. Pheasant season will open Nov. 13th and close on Dec. 12th. The limit is two cock pheasant daily. Remember, the firing line for the southern and northern zone for all hunting is Route 26 which crosses the gate at Springfield.

Fishing is up and down with the plastic worm the best bait. There are some good catches on catfish at night now and then. Squirrel season has been a puzzle to some as the squirrels without first finding out what they want to eat. Early in the

the downstate fisherman

by pete brown

The third week of August witnessed an encouraging recovery in downstate fishing and much neglected Devil's Kitchen Lake was one of the brighter measurements of it.

Perhaps put off by dismal reports, fishermen still avoided the Kitchen in large numbers. But those who tried it weren't at all dismayed. John Staden of Belleville led the pack with a four and one half pound largemouth, followed by scores of catches in the two to two and one half pound range.

Lenox Higgins of Herrin, probably the premiere bluegill fisherman at Devil's Kitchen, weighed in with a string of 20 averaging 15 ounces. Even smallmouth bass, stocked as fingerlings a little over a year ago, were showing up as scattered singles. They'll average eight or nine inches in length and they've been caught on about everything, most commonly the Shyster and small spinners.

The lake is mirror clear and bass can be seen readily cruising about in mossy shallows. The blue and purple artificial worm has been a productive bait.

Bill Eike of Maryville weighed a five and one half pounder at Little Grassy, which is perking up too. Eike also picked up a two pounder in the Bayou Boogie. Others loaded with one and two pound bass catches included Stan Robbins of Makanda, Jay Wilkinson of Worth and Nancy Hankemeyer, East St. Louis. Plastic worms and the ditterbug were baits.

Crapple fishing has been excellent. Mr. and Mrs. O. Rossier, Columbia, boated 144 in three days (plus a half dozen bass). Harvey Brown of East St. Louis caught 183 in a three day trip and L. Hagler, Galesville, picked up 20 in an outing. Loads of small bluegill are being harvested. The lake is in prime condition.

Bass, crappie and channel catfish are sparking the revival at Crab Orchard Lake, which has returned to normal fishing condition. Nick Masters and partner boated six medium sized large-

mouth and Fred Norton, Carbon- dale, has scored consistently over the crappie holes. Jug fishermen report some better-than-average runs for channel cat.

State conservationists checking out Lake Murphysboro list bass catches from one to five pounds, an index to decided improvement there. Crappie and bluegill fishing is average and steady at Horseshoe Lake.

mouth and Fred Norton, Carbon- dale, has scored consistently over the crappie holes. Jug fishermen report some better-than-average runs for channel cat.

State conservationists checking out Lake Murphysboro list bass catches from one to five pounds, an index to decided improvement there. Crappie and bluegill fishing is average and steady at Horseshoe Lake.

Jacobsmeysers Win 35 & Over Title In Playoffs, Blast Local 16 21-6

Jacobsmeysers nabbed the 35 and Over League playoff championship with an easy 21-6 win over Local 16 in the title game of the 16 slipper softball Monday night at Wilson Park.

In the first-round games Local 16 slipped by Jiffy Car Wash 10-9, and Jacobsmeysers' downed Larry's Corner 8-5.

In the title game Local 16 scored a single tally in the top of the first inning on Don May's inside-the-park home run.

Jacobsmeysers, however, picked up four in its first, five in the second, six in the third and one in the fourth before the losing team could cross the plate again in the fifth.

Leading hitters for the playoff champions were Harry Taylor, whose heavy hitting included a pair of triples and an inside-the-park homer, Red Worthen, who reached base five times on four singles and a miscue by an opposing player, and Dick Morris with four hits, including a pair of doubles.

Jiffy Car Wash came up with five markers in the final inning but fell one shy of a tie in its contest with Local 16.

Don May and Joe Majors each collected three hits for the win-

'Y' to Advance Local Soccer Development

A meeting will be held at 7 p.m. Friday at the YMCA for the formation of a soccer association to promote the development of additional soccer leagues and to facilitate a variety of developments in the Quad-City area.

During the past three and a half years the YMCA has sponsored the only leagues in the local area.

Ruben Mendoza, soccer director for the "Y," will preside over the meeting which will be attended by coaches of the teams in the YMCA leagues.

Anyone interested is invited to attend.

Roca Tennis Tourney

The Roca young men's club will conduct a tennis tournament Sunday afternoon at the Granite City high school tennis courts. It was announced following this week's meeting by Jerry McKeehan, club president. The club members are scheduled to attend Sunday services at St. John Lutheran Church, and it was announced the club plans a chicken dinner delivery service on Sept. 11, with tickets available from members.

Mercers Host Heaters, A. C.'s, Hearts on Road

By Press-Record Staff Photographer

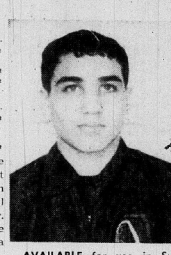

TRYING FOR a repeat performance Sunday at Maryville will be Glen Hoffman of Mitchell A. C., who collected three hits in as many trips to the plate in his last Inter-City League game against Mercer.

AWNINGS—G. C. GLASS CO.

St. Clair	11	8	1/2
Mitchell A. C.	10	8	1
Mercer	8	10	3
Maryville A.C.	6	13	5 1/2

Mercer will be at home while Mitchell A. C. and Sacred Heart will be away in Southwestern Illinois Inter-City Baseball League games slated for Sunday. Mitchell will encounter the Maryville A.C. Contractors in a contest at Maryville. The first-year, local entry in the league with a 10-8 won-lost record in third place only a game out of first in the Blue Division. Pocahontas holds the top spot with an 11-7 mark.

Mercer, meanwhile, will tangle with St. Clair Heating, the runner-up club in the Blue Division with an 11-8 ledger, at Wilson Park. The local team will be trying to improve its 8-10 record. In a make-up game at 10:30 a.m. the same day the Mercers will battle Pocahontas on the Wilson Park field. Sacred Heart will meet Kaskaskia at Fletcher Field in p.m. the same day. The Mercers' Collinsville The Hearts, tail end-

AVAILABLE for use in Sunday's contest with the Maryville A.C. Contractors will be Terry Brown of Mitchell A. C., who hurled a one-hit gem in his last outing at his club up-ended Mercer 4-0.

All of the games except for make-up contest between Mercer and Pocahontas will be played at 2:30 p.m.

Entries Being Accepted for Labor Day Holiday Softball Tournament

Entries are still being accepted for the Granite City Park District's seventh annual Labor Day slow-pitch softball tournament slated for Sept. 2 through Sept. 6 at Wilson Park, Supt. Harold Brown said today.

The tournament field will consist of no more than 20 teams and only Quad-City area clubs will be admitted.

Brown expects 15-20 teams to enter the meet. Entries will be accepted on a priority basis with no teams being admitted after the quota has been filled. Games will be played on each of the first four nights of the event: Thursday, Sept. 2; Friday, Sept. 3; Saturday, Sept. 4; and Sunday, Sept. 5.

Afternoon games will be played Labor Day afternoon, if necessary, with the finals being held that evening, the third-place contest at 7 o'clock and the championship tilt at 8 o'clock.

The entry fee for each team participating in the tournament is \$15. Application for entries, blanks may be obtained at the Wilson Park office. The deadline for accepting entries is at 5 p.m. Friday.

Trophies will be awarded to the first, second, third and fourth-place finishers in the meet.

Last year's winner, Polish Hall, will not defend its title since the

Morrison Optimistic On Warrior Grid Season

Head Coach Jim Morrison was optimistic as the Fighting Warriors of Granite City high school held their first football practice session of the season yesterday.

Morrison said, "Our speed is very good, and we have good balance and size in the 190-200 pound range. We have depth in the backfield and at guard in particular."

"Our main weakness will be a lack of experience. Also we have a problem of tackle depth, but we do have a couple of good ones. The same problem exists possibly at the end position."

Returning senior lettermen who reported for the practice session were (weights are in parentheses after each player's name): Ed Brookus (190), guard; Warren Evans (195), tackle; Tim Hickey (180), quarterback; John Harper (185), guard; Fred Hoffman (185), center; Gary Johnson (185), fullback; Steve Johnson (195), end; Kirk Kozol (165), fullback; Dona Lakatos (165), end; Jerry McKeehan (173), guard; Jim Rains (160), quarterback; Len Revell (165), fullback; and Rick Turner (160), fullback.

Turner and Johnson, two of the Warriors' tri-captains, are sidelined with injuries. Turner will be back in action Monday while Johnson's recovery is undetermined at the present time, Morrison said.

Tom Miner, a 6' 2", 210-pound fullback has transferred to Granite City high school from Wood River where he was an honorable mention all-conference selection last year. Morrison calls him an "outstanding prospect."

Morrison went on to say, "Revell, running from the halfback position, has looked very good." He is the other tri-captain.

Other good prospects who have impressed the coaches are Terry Moore (6' 4", 185), junior end, and Ron Turner (153), junior wingback.

Quarterback Hackney and Tim Barnett (190), senior, have looked impressive as has Terry Lybarger (155), junior. Morrison said, "We will see if Lybarger can play wingback for us since he is too light to be an end." He is a brother of last year's co-captain, Terry Lybarger, who received all-conference recognition as a linebacker.

Linebacker who have done a good job are Hoffman (center), Brookus, guards, Frank Vivid (tackle), and Evans (tackle). The latter player was a center last year but has been moved over to tackle for the current campaign. Steve Johnson has looked good at end.

Morrison stated, "We will have to learn to keep from getting beat by our own mistakes." When asked who is the Warriors' most difficult opponent, Morrison replied, "Right now it's River View Gardens in our first game."

Miss Wood is Shower Honoree

A pre-wedding shower honoring Miss Mary Beth Wood, who is soon to be married to Lindsay Phipps of Mattoon, was held this week at Petri Cafe, given by her aunt, Mrs. Mary Brady, Mrs. Alma Wolfert and Miss Daniel Morland, all of St. Louis. The buffet luncheon party was held from 2 to 4 p.m. The centerpiece was a musical bride on a revolving plate. In games, the prizes were won by Mrs. Ethel Worthen and Mrs. Ella Veach.

Others present were Mrs. Earyml Veach, Mrs. Lucius Spring, Mrs. Maxine Westcott, Mrs. Irene Cook, Miss Karen Morland, Mrs. Helen Smith, Mrs. Ruth Petri, Mrs. Norma Reveille, Mrs. Betty Abbott, Mrs. Mary Veach, Mrs. Gus Hiesman, Mrs. Lela Lybarger, Mrs. Dorothy Veach, Mrs. Stoll Rushing, Mrs. Bobbi Brady, Mrs. Dorothy Gitch, Mrs. Sadie Hinson, Mrs. Doll Hinkle and the bride-to-be's mother, Mrs. Mary Frances Wood.

Eagles Auxiliary Hears Reports

A scheduled meeting of the Eagles Auxiliary 1126 was held Tuesday evening.

Mrs. Ann Konopka, president, conducted the meeting and announced a meeting of District Eight Auxiliaries to be held at 2 p.m. Sunday in East St. Louis. Mrs. Victoria Postell reported on a trip to the Madison County Tuberculosis Sanatorium in Edwardsville recently when the patients were entertained at games and refreshments were served.

Mrs. Florida Batson, ways and means chairman, gave her report, and Mrs. William Cariss, 2133 Waterman avenue, discussed. Refreshments were served to 21 members by Mrs. Theresa Daigler, Mrs. Helen Goline and Mrs. Aldona Hartin.

Mrs. Rinda Brown was awarded the prize for the evening and the white elephant went to Mrs. Marge Denner.

RETURNS FROM FLORIDA

Mrs. William Cariss, 2133 Waterman avenue, returned Tuesday after spending the past five weeks in Hollywood, Fla., with her son-in-law and daughter, Mr. and Mrs. Robert Ward, and their family.

MRS. DAVID KEETON, a bride of Saturday. Before her marriage at Dewey Avenue Methodist Church she was Charlotte Warner, a daughter of Mr. and Mrs. Sam B. Warner, 2424 Angela drive.

Mr. and Mrs. Elmer Forcade Observe 50th Anniversary

Mr. and Mrs. Elmer Forcade, 2904 Indiana avenue, observed the 50th anniversary of their marriage last night at the home of their son and daughter-in-law, Mr. and Mrs. Elmer Forcade Jr., 2338 Waterman avenue.

Due to a recent illness of Mr. Forcade only the family were present. Mr. and Mrs. Forcade, both 70, were married Aug. 25, 1915 at St. Joseph's Catholic Church by the Rev. D. J. Ryan. Beside the son they have two grandchildren, Michael and Nancy.

After retiring in 1952 as assistant fire chief for the Granite City department, Mr. Forcade served four years as state deputy fire marshal.

Legion Auxiliary Adds 4 Members

Four new members were accepted last night at a meeting of American Legion Auxiliary, Unit 113.

Mrs. Dorothy McCain, president, conducted the meeting and after a business hour the group took part in games, the prizes going to Mrs. Lucille Cooper, Mrs. Dorothy Best, Mrs. Helen Qualls, Mrs. McCain, Mrs. Ellen McKittick, Mrs. Cecelia Malott, Mrs. Vi Kassabaum and Mrs. Imogene Sims.

Hostesses were Mrs. Dorothy Johnson and Mrs. Best.

WOMEN OF MOOSE HOLD MEETING

Two new members were welcomed last night at a meeting of the Women of the Moose, Chapter 247. They were Mrs. Marquette Miller and Mrs. Helen Hankins.

Mrs. Gladys Markovich, senior regent, was in charge and prizes were won by Mrs. Margaret Duncan, Mrs. Markovich and Willard Masfield.

Tax Levy for GC Totals \$1,212,366—Increase of \$77,735

A tax levy of \$1,212,366 was approved Monday night by Granite City council members. The new levy is \$77,735 higher than last year's.

Comptroller John Doherty said he is not anticipating an increase in the city tax rate since the new assessed valuation of property in the city is expected to go up for the next tax year.

The prospect, he said, is for the city's valuation to jump from \$132,000,000 to \$136,000,000. The city's current tax rate is 75.5 cents per \$100 assessed valuation.

Covers \$1,511,600 Budget
Granite City's \$1,212,366 tax levy is to cover a budget of \$1,511,600 approved by the council last month. The difference is made up from license fees, city sales tax and parking meter receipts.

Departmental breakdown of
General government, \$29,627 and \$27,637; police department, \$249,444 and \$235,887; interest, judgment and insurance, \$9,000 and \$12,400; street department, \$65,000 and \$76,000; special street project fund, \$93,000 and \$91,000; maintenance of pumping station, \$220 and none; humane department, \$3,360 and \$4,500; inspection department, \$12,600 and \$10,760; contingent fund, \$10,000, same; city hall maintenance, \$22,420 and \$19,245; elections, \$2,960 and \$2,540; planning commission, \$8220 and \$4,000.

Pensions, Sanitation
Police pension, \$45,000 and \$35,000; firemen pension, \$45,000 and \$35,000; five department, \$248,000 and \$241,600; garbage and trash collection, \$140,095 and \$120,000; public library, \$102,400 and \$98,035; Illinois Municipal Retirement fund, \$34,000 and \$32,000; civil defense, \$10,000, same; water and fire hydrant rental, \$20,000 and same.

VACATIONISTS RETURN

Mr. and Mrs. Alva Barbe, 1724 Fourth street, returned home Monday from a three-week vacation in northern Michigan, the Great Lakes area and Canada. Time was spent in Jackson, Mich., at the home of Mr. and Mrs. Don Wolfe. Mrs. Wolf is a niece of Mrs. Barbe. They went to Mackinac City and crossed the Mackinac Bridge and took a tour of the Locks at Sault Ste. Marie, also visiting the twin cities of Port Arthur and Port William and viewed the Kakabeka Falls in Canada.

On their return home they visited their son-in-law and daughter, Dr. and Mrs. K. A. Mangels and sons in Indianapolis, Mo.

SEE BEATLES REUNITE

Misses Dolores Mulvik, Patricia Nix and Nancy Nix visited over the weekend in Chicago. They were guests of Edw. J. Kinner, former Madison resident. Sightseeing tours and the Beatles were enjoyed by the group.

CUBS TOUR DEPOT

Cub scouts of Den One and Den Two and their den mothers and guests toured the Army Depot Monday afternoon. Of interest to the young group was the vehicle made by black widow spiders which was explained by George Eubanks, depot public relations officer, who was part of the tour. He pointed out other points of interest and pictures were taken.

In the group were John Allen Jr., Billy, Jimmy, Victor and Joe Balva, David and Bobby Puzery, Mrs. Rudy Bullock and son, Larry, and daughter, Linda. Mrs. German Martes and sons, Ricky and Jeffrey, Mrs. Ruth Ann Plante and son, Jerry, Mrs. Josephine Zelenka and daughter, Helen Jo, Mrs. George Stenitzer and son, George, and daughter, Sandra Lynn, John Piechocinski, Mark Nozich, Joey Votopal, Arthur Allen and Joseph Ratzewicz, Brian and Eric Moshegian, Eugene Stokes and Michael Poznovich.

REBEKAHS PLAIN BAZAAR
Delray 786 Rebekah Lodge members met Tuesday evening at the Odd Fellows hall in Madison. Mrs. Louise Ebersold, noble grand, presided over a short business meeting.

Mrs. Ebersold discussed the annual bazaar and chicken dinner which is to be held at the hall Oct. 2 with the 14 members who were present.

Colorful Mexican Plants Blooming at Home in GC

A brilliant array of tall orchids and pale green blooms, with centers ranging from delicate yellow to deep gold shades, this week is attracting the attention of many motorists who travel past the home of Mr. and Mrs. Leo Schermer at 43 Terrace lane.

The semi-tropical foliage plants are "summer poinsettias," a native species of Mexico, whose official botanical name is unknown to the grower.

Completely filling a 15-foot circular bed at the front of the Schermer home, the 20 individual plants are between two-and-a-half and three feet in width and up to five-feet tall. Each plant has eight or ten large blossoms. Schermer said that, which insects appear to avoid. Once germinated, he said, the plants require a minimum of care, but needs lots of warm weather.

The local businessman added

Charles Veach, 27, of Hebron, Ind., was arrested by Venice police Wednesday night on a charge of parking too close to a stop sign at Market street and Broadway. Veach posted \$25 cash bail pending a hearing in magistrate's court Sept. 17.

Dr. E. H. Parker Sees Granddaughter Honored

Mr. and Mrs. Keith D. Parker and family, 1569 Gartfield avenue have been entertaining as their houseguest, the former's father, Dr. E. H. Parker of Gillespie, Ill., who attended the fourth annual recognition banquet Tuesday evening honoring members of the Paddlers' swim team.

Dr. Parker's granddaughter, Miss Patricia Parker, was presented to the co-captains on behalf of the team, to Coach Parker and assistant coaches, Bob Lybarger, who received the most improved girl's award.

Each of the 102 swimmers present for the dinner received a participation trophy and Parker said that 17 additional awards will be kept at the pool for swimmers who were unable to attend.

Dan Smith of the YMCA recreational staff spoke briefly and invited the youngsters to participate in the "Y" winter swimming program. He added that an organizational meeting will be held for interested participants on Sept. 27 at the YMCA.

The remainder of the evening was spent viewing movies of swim meets and other activities of a proposed expansion program to be explained in detail at the annual stockholders meeting, Nov. 15.

Primary ideas include construction of a new 25-meter pool; new diving facilities; fencing property; landscaping and creating a functional picnic and general recreation area; and construction of tennis courts. The proposals will be further discussed by the board of directors prior to presentation to the general membership, it was announced.

FAMILY GATHERING

A family gathering and dinner was held Sunday in the Lions shelter at Lee Park, honoring Mr. and Mrs. Robert Meane and Mr. and Mrs. Walter Meane and Mr. and Mrs. Robert Meane and Mr. and Mrs. Walter Meane and Mr. and Mrs. Robert Meane and Mr. and Mrs. Walter Meane.

Those attending were Mr. and Mrs. Ralph Anderson of East St. Louis, Mr. and Mrs. Everett Anderson of Collinsville, Ill., and Mrs. Vernon Vaughn and sons, Aris and Bonnie, and Mr. and Mrs. Ralph Anderson, all of Granite City; Mr. and Mrs. Rob. Callis and son, Benny K. Hall; Robert, Kathy, Harry and Bernard of Fairmont City; Mrs. A. Richardson and daughter Norma; and Mrs. Donald Beyer and son, Scottie, of Phoenix, Ariz.

Others attending were Mr. and Mrs. Claude Crews and children, Cynthia, Lanny, Sharon, Cindy and Lydia Jane, Mr. and Mrs. Bob Walkenbach and children, Kirk and Cathy, Mrs. Caroline Byers and Mr. and Mrs. Lester Beyer and children, Jeffrey, Robert and Donald, all of Granite City; and Mr. and Mrs. Henry Devany and children, Sue, Linda and Jerry of Venice.

Mr. and Mrs. Gerald Wallace and son, Gary, 640 Washington avenue, returned home Sunday evening from a weekend trip to Springfield, Ill., where they were guests at the summer estate of Mr. and Mrs. Earl Boush and sons Micky and Billy of Hampton street.

Mrs. Emma Devany, 1222 Roblin street, returned home Sunday from Deaconess Hospital, St. Louis, after a three-week stay, undergoing major surgery.

Whitmer told police he had made a left turn off Madison avenue to go west on 21st street and his auto was forced over by an oncoming auto. Whitmer's car struck and damaged the left rear of a parked car owned by Bert Hall, 266 Second street, Madison.

Miss Pat Parker, the team's co-captain, was among those honored during the awards ceremony.

Anti-Strikebreaker Law Goes on First Reading

Granite City council members voted 9-4 Monday night to place on first reading the proposed anti-strikebreaker law that was first submitted Aug. 2. Final action is expected at the next regular session on Sept. 7—the day after Labor Day.

Action on the law was deferred at both the Aug. 2 and Aug. 16 sessions, and there was a 20-minute debate at this week's meeting.

Voting for the law were Aldermen Nunn, Whitmer, Bartoslak, Boyd, Dallas, Moerlein, Parnley, Poulos and Green. Opposing it were Aldermen Rutledge, Johnson, Sternberg and Fry. The aldermen not present were Basarich, Thompson and Robertson.

The first mention of the ordinance Monday night was a letter from the Manufacturers Association of the Tri-Cities which pointed out the concern of the association over the ordinance for city regulation of business employment practices during strikes.

Court Test Promised
In the letter, William F. Hoelzer, general manager and secretary of the association, stated that any attempt for enforcement would result in the manufacturing firm involved taking the case to court to test the validity of the ordinance.

The proposed law was debated by Alderman Sternberg, who has opposed it since it first was introduced, and by several of its supporters, Aldermen Boyd, Nunn, Bartoslak and Whitmer. Sternberg said he and members of his family have been threatened with violence because of his stand on the issue.

He recommended a "moratorium on hate" be declared and everyone in Granite City pitch in and help settle the issues in the strike against Union Starch & Refining Co.

Sternberg said there should be an amendment to the proposed law to make it a two-way street that perhaps the law should limit pickets to one at each plant gate and specify the size of the picket to five feet six inches tall or six feet six inches tall.

When a large number of striking Oil, Atomic & Chemical Workers Union members in the audience laughed, Sternberg remarked, "You're getting my point."

Conflict of Interest Issue
He added that a test of the law's legality has been promised, and that three members of the council employed at the Union Starch & Refining Co. plant would be involved in conflict of interest in voting on the issue. He named Green, Poulos and Basarich.

The law, he pointed out, would prohibit Granite City from growing in the future.

Boyd commented that refusal to adopt the law would be like putting up big signs at the entrances to Granite City, "Strikebreakers Welcome."

Welcome Court Test

"We welcome a court test. We know it is legal and that the labor law firm that drew it up knew what it was doing."

He said other cities have the law. "I think it is progressive and positive thinking and will make this a better community."

Whitmer said it was unlikely the law could be applied to the Union Starch & Refining Co. dispute since the strike already has

been under way for over 50 days. Nunn commented to the audience that union people need protection. "If we want to help them, who will?" Turning to Sternberg, he remarked, "These people on strike live from work to work. You're a contractor; you have money."

Bartoslak said the intent is not to drive industry out of the city but to keep outside people from coming in to operate plants that are being struck.

Manufacturer's Letter

There was little discussion of the letter from the Manufacturers Association. In it, the council was told the ordinance, in the opinion of the manufacturers, was "invalid due to the lack of statutory authorization from the General Assembly for municipal regulation of the subject matter."

In direct conflict with the National Labor Relations Law and the decision of the U. S. Supreme Court relating to the right of employers to operate their business in face of an employees' strike.

"Further, the ordinance lacks certainty and definitiveness. Its provisions are unreasonable and unnecessarily oppressive."

"Our observations are directed not only to the original ordinance proposed but also to that amended offered after redrafting by St. Louis Attorney Harold Greenberg. Although the redrafting strives to couch the language of the ordinance as an exercise of the municipal police power, both the original proposal and the redraft contain nearly identical regulatory provisions."

"We recommend that the city council also consider that the ordinance, although invalid, constitutes a substantial detriment to the city of Granite City and all of its citizens through the future effect such an ordinance would have on expansion of the area's existing industry and the development of new industries."

"It is a fact that the boundaries of the city of Granite City contain only limited lands for future industrial development and there is no question that new industries, which desire to locate in the area may prefer, on the basis of this ordinance and fear of future action, to locate elsewhere."

We suggest that this ordinance should be ruled as invalid, without local basis, and totally without justification for further consideration by the city council of the city of Granite City."

MORE ABOUT

Madison To

(Continued from page 1.)

Madison, as a patrolman, Bland served as a special policeman during the past year. The appointments fill long-standing vacancies.

A discussion was led by Mayor Stephen Maestas on the 20 Cambridge avenue improvement and attempts to avoid acquisition of a 10x16 foot tract which would be detrimental to the business of a tavern adjacent to it.

The problem was referred to the city engineer. Plans for the improvement already have been approved by the state highway division. Most of the land concerned is city property, Mayor Maestas added.

When Clifford Hovan, Collinsville, applied the brakes of his car, it was struck from behind by one driven by Robert Fry, 3000 Palmer avenue, at 7 p.m. Tuesday at 2111 Benton street where both were headed north.

Power Line Downed

A power line was reported down at 7 p.m. Tuesday at 2313 (rear) Missouri avenue during the rain. An Illinois Power Co. crew made repairs.

Tourist Trade Top Income In Italy, Rotarians Told

Revenue from the tourist trade is now the greatest source of income in Italy, many Granite City Rotarians were surprised to learn Tuesday, when they heard details presented by Anthony Tito, who is employed at the Italian consulate office in St. Louis. About 54 members heard the official address given at a weekly luncheon meeting in the YMCA. The guest speaker, who has been a U. S. citizen for several years, resides in Granite City.

Consulate Duties
In relating the responsibilities of the St. Louis consulate, which covers a five-state area, Tito said, its primary purpose is to improve U. S. - Italian relations, encourage trade affiliations and to assist in cultural events. He narrated a film which illustrated the art of alabaster sculpture, one of the top export industries in Italy. Hand-carving of vases, animals, birds and other

small bric-a-brac was described. Most of this type of work, Tito explained, is carried out in small workshops by individual artists, many times resulting in highly prized gifts purchased by tourists.

He added the reports are to be compiled and turned in prior to the annual club assembly Sept. 28, when past programs will be reviewed and new projects formulated.

Two Granite City Rotary members, Ralph Morris III and Vince Bischof, were congratulated on their second place finish in the Rotary district golf tournament, recently held at Sunset Hills Country Club. Both members' program chairman and a had identical scores of 87. Top guest of the local service organization was William E. Glover of by Rev. Harry Colquhoun of the Rock Raton, Fla.

Dow Diamonds Plan to Aid GC Scholarship Foundation

The Dow Diamonds met Tuesday evening at The Den for a steak dinner and business session. Mrs. Kay Deering, president, was in charge and plans were made to contribute a full scholarship to the Granite City Scholarship Foundation. Plans were made for the next meeting Sept. 28 at the Admiral Benbow Inn in St. Louis and a tour of the planetarium. Guests are to be invited to the latter meeting.

Fourteen were present at Tuesday's meeting. Serving on the hostess committee were Mrs. Rainie Harris, chairman, and Mrs. Donna Sturdivant.

JERRY L. WILLIAMS, LEAVING FOR OVERSEAS
Jerry L. Williams, BTFN, a son of Mr. and Mrs. John H. Williams, 2911 Myrtle avenue, left today after spending a 20-day leave with his parents. He was stationed at Norfolk, Va., aboard the USS Willard Keith for seven months. He made two trips to San Juan, Puerto Rico, and is now enroute for 24 and Bermuda.

months overseas duty. His home base will be Yokosuka, Japan, aboard the USS Highbee DD 866. A graduate of the Granite City high school, he joined the Navy a year ago. After completing basic training at Great Lakes, he was stationed at Norfolk, Va., aboard the USS Willard Keith for seven months. He made two trips to San Juan, Puerto Rico, and is now enroute for 24 and Bermuda.

MRS. ALBERT LESKO, the former Norma Donheiser, a daughter of Mr. and Mrs. Norman Donheiser, 2028 Russell street, who was married Saturday at St. Mary's Roman Catholic Church in Madison.

Attend District B&PW Meeting

A number of local women, members of the Granite City Business and Professional Women's Club, were in Marissa, Tuesday evening, to attend a president's council meeting and picnic. Mrs. Frances Lucas, president of the Marissa club.

Thirty-four were present, including a guest from Finland, Miss Ann Sillanen.

Business for the coming season was outlined and announcement made of a district meeting Oct. 3 at Augustin's restaurant in Belleville.

Mrs. Alma Brown of Marissa, district chairman, was in charge at the meeting attended by the following from this area: Mrs. Helene Bischoff, president of the local club; Mrs. Verne Lengyel;

GERGEN FAMILY VISITING HERE

Mr. and Mrs. Robert Gergen and daughter have been visiting in Granite City with relatives and friends. Mrs. Gergen will be remembered as the former Lindi Herman, daughter of Mr. and Mrs. William L. Herman, 2019 Ames avenue. Eight members of the June 1961 class of Granite City high school gathered at the Herman home during Mr. and Gergen's stay with Mrs. Nancy Jones Erney and Mrs. Gergen as co-hostess. Mrs. Erney and her husband and their son will be returning to Rolla, Mo., soon. Mrs. Gergen and her family will return to Kankakee, Ill., this week where Mr. Gergen will begin his second year of teaching at West Junior high school.

Mrs. Vernice Wortman, Mrs. Dolores Allen and Miss Morene Groshong.

Hospital Group Sees Exhibit

The August meeting of St. Elizabeth Hospital Auxiliary took place Monday evening in the hospital library with Mrs. Irene Argelan, president, in charge.

Keith Pryor of the hospital staff, who was introduced by Mrs. Argelan, demonstrated the new stainless steel cabinet purchased recently by the Auxiliary for the hospital.

Sister Stanisla was a guest in the absence of Sister Mary Thomas, hospital administrator, and plans were made for the purchase by the Auxiliary of a gift cart to carry supplies and magazines to the patients on the various floors.

Also announced was the coming district Hospital Auxiliary meeting in Greenville Wednesday, Oct. 6. Reservations are to be made with Mrs. Argelan.

After the meeting refreshments were served in the coffee shop to 25 members. Prizes were awarded to Sister Stanisla and Mrs. Barbara Burgener.

Mrs. Harlow is Class Hostess

Mrs. Lloyd Harlow was hostess to the Winsome Sunday school class of the Suburban Baptist Church, in her home, 2109 Johnson road, Monday evening.

The monthly meeting was opened with prayer by Mrs. Edna Jackson followed with the devotion by Mrs. Hildred Lewis who read Matthew 6-12.

During the business period Mrs. Harlow read the reports and presented the treasurer's report of the past meeting. Mrs. Alta Mae Cockrell made a motion which was seconded by Mrs. Pauline Dalhaus to make personal utility bags for the patients at the Alton State Hospital.

Other members present were Mrs. Wanda Bradford, Mrs. Laura Harlow, Mrs. Ruth Bunker and Mrs. Lucy Stewart. Mrs. Harlow served refreshments after which Mrs. Bradford invited the class members to meet at her home, 1508 Clark avenue, in September.

BAPTIST PASTORS AND WIVES PICNIC

The pastors of the Madison County Baptist Association and their families held an annual picnic Monday evening at Wilson Park. They were guests of Methodist, an organization of pastors wives.

The invocation was given by Rev. William Richardson, association missionary. Following the picnic meal Mrs. Clayton Humphrey, wife of the pastor of Second Baptist Church, displayed her collection of hats.

A further demonstration will be given at the Oct. 26 meeting.

Those attending the outing were Rev. and Mrs. Richardson, Rev. and Mrs. Harold Maze, First Baptist Church; Rev. and Mrs. Humphrey; Rev. and Mrs. Keith Stanford, Suburban; Rev. and Mrs. Eugene Phillips, third; and Rev. and Mrs. James Doon, Meadow Heights.

Hostess at the October meeting is to be Mrs. Betty Hilton, wife of the chaplain at the Army Depot. A tour of the Depot is planned for the afternoon.

Resident Here Two Weeks Found Dead

Mrs. Jesse D. Daech, 39, of 2317 Delmar avenue, was found dead in her apartment about 9 p.m. Monday. Cause of death, apparently from natural causes, was not immediately determined pending an autopsy and an inquest. Deputy Coroner Robert Thomas will conduct the inquest.

Mrs. Daech, who had lived in the area several weeks, formerly was employed at an Alton bakery. She was a member of the Baptist church at Harrisburg. She was born in Muddy, Ill.

She is survived by a son, James, two daughters, Lane Daech and Mrs. Terrah Vellof of St. Louis, and her mother Mrs. Mayet Chontofski of Alton.

Mrs. Daech's body was found by Samuel Avedisian, owner of the building, after several other residents had reported the woman had not been seen. She had been dead about eight hours when the body was discovered, according to authorities.

Funeral services are scheduled Friday in Alton with burial in Godfrey.

Legion Urges Support Of Membership Drive

Members of Tri-City Post 113 of the American Legion were urged to support their current membership drive and pay 1965 dues during a meeting Tuesday night.

A report on the drive was made by Wilbert Niepert, senior vice-commander. Edgar Horton, new commander, awarded past officers' pins to outgoing officers and presented favorable comments on the public and the Legion's activities during the past year.

An initiation was received from Judy Tones, recipient of the Legion nursing scholarship in 1962, to attend her graduation exercises from Barnes Hospital, St. Louis, today at St. John's Methodist Church in St. Louis.

Joseph Summers, baseball chairman, reported on the post's Legion baseball team and its activities during the past season. Lunch was served after the meeting.

Steel Mill Projects Outlined for Rotarians

An outline of new hot strip mill and basic oxygen furnace construction at Granite City Steel Co. was given 20 Madison Rotary Club members during yesterday's luncheon meeting at the Madison Memorial Center.

The speaker was Stanley Gault of the latter relations department of the steel mill, who said work at the plant is geared for a Jan. 1, 1967, completion date.

Club President Tony Zedolek reported the Rotary district governor, Ernest Tosovsky, is to visit the club in September. Early October, Zedolek also welcomed member Oscar Albert, who has returned from a three-month stay in Florida. Demos Nicholas, Madison city treasurer, was enrolled as a new member.

Congratulations were given Rev. Harry Colquhoun for his victory in the Rotary-wide golf tournament last week at Sunset Hills Country Club.

Dr. Warren Schuetz Dies in Urbana, Ill.

Private funeral services will be held Friday morning in Urbana, Ill., for Dr. Warren Schuetz, 43, son-in-law of Mr. and Mrs. Chris Baehrdt, 2515 Cleveland Blvd. Dr. Schuetz, who had been teaching at the University of Illinois, died in his home at 9:30 a.m. Wednesday, follow-

BRIDE-TO-BE HONORED

Miss Phama Donahue, a September bride-to-be, was celebrated Tuesday evening at a shower given by her aunt, Mrs. Vasek Donahue, at a restaurant. The bride-to-be, Miss Ellen Rodi, at the Donahue residence 2525 East 23rd street, assisting Mrs. Jones and Miss Rodi were Mrs. Ruth Snyder and Mrs. Pat Janco.

Colors of blue and white were used in the appointments and the buffet table held a large wedding cake for a centerpiece.

Prizes in the games were won by Mrs. Evelyn Essington, Mrs. Mary Feiler, Mrs. Ann Schall, Mrs. Phama Donahue, Mrs. Iona Morrey, Mrs. Janet Castelli, Mrs. Ula Hall, Mrs. Laura Lambeth, Mrs. Nancy Mercer, Mrs. Mae Feline, Mrs. Sophie Bero, Miss Mary Bosich, Mrs. Elizabeth Schall, Mrs. Bonnie Brownbauer, Mrs. Paula Patton, and Miss Betty Bero.

Others present were Madams Derica Donahue, Louise, and Mothers of the bride and groom-to-be, Imogene Patton, Alberta Raub and daughter, Cathy Dolly Rath, John Sigler, Florence Schall, Juanita Schall, Esste Buckingham, Jean Jones and daughter, Leo Porey, Mary Ann Frankenstein, Miss Diane Bodi.

Miss Donahue received many lovely gifts.

The wedding of Miss Donahue whose parents are Mr. and Mrs. William L. Donahue, and Mr. George Rodi, whose parents are Mr. and Mrs. George Rodi of 1747 Chestnut street, will take place Sept. 4, Mr. Rodi is employed at Brockus Machine Co.

Mr. and Mrs. Leo Kalpis Jr. received word from their son St. C. Leo Kalpis III that he is stationed about the U.S. Navy, Calvert which will go to Okinawa, then to Viet Nam.

Cub Scouts of Pack 19 held their annual chicken supper Monday evening at Wilson Park. After the supper games were played.

Mr. and Mrs. Range also had as their guests Mrs. John Range of Granite City, and her daughter, Sister Mary Leon, who will be teaching at Roma, Ill. Sister Mary Leon is here on a short visit with her mother.

An eight-month illness of cancer. Burial will be in Urbana. Memorial services are to be conducted Saturday afternoon at 2 o'clock in the First Presbyterian Church at Champaign, Ill. Dr. Schuetz was married to the former Christy Ann Baehrdt. They had lived in Urbana since their marriage 16 years ago. In addition to his wife, Dr. Schuetz is survived by two children, Laura and Glenn.

Mr. and Mrs. Baehrdt left Granite City this morning to attend services in Urbana and Champaign.

Latest Meeting on Starch Co. Strike Issues Cancelled

A meeting between company and union officials of the starch-bound Union Starch & Refining Co., scheduled for this afternoon, was cancelled this morning. The meeting had been arranged by conciliation agents and was to have been held in offices of the U. S. Mediation Service in St. Louis.

Company officials said they had asked for no cancellation and that the meeting apparently had been called off by representatives of the striking Oil, Chemical and

Atomic Workers Union local 7-663.

Thomas Austin, president of the union, could not be reached this morning, but Charles Shemwell, vice-president, told the Press-Record that the union had called conciliation agents and requested they call the company to offer it had any new proposals to offer.

"We understood from the conciliators that the company had nothing new to discuss, and since we had no further points to take up we considered it a waste of time to go clear to St. Louis for a meeting," Shemwell said. "We have been having meetings like that and they last only about five minutes."

Received No Answer
Company officials said, how-

ever, that the union has not yet given the company its answer to a new package proposal presented last week which included an increase in the wage proposal from 9.5 cents to 10 cents.

The strike went into its 53rd day today. The workers secured on July 4 in disagreement over three major issues—wages, grievance procedure and craft reassignment. Since that time a series of negotiation meetings have broken up without results and the 42,000-out strike has been marked by acts of vandalism and violence.

Company representatives said today, however, that such incidents have diminished in number during the past few days.

On Tuesday, however, Union Starch officials filed complaints against Harold Roy Denison, 23, of Rural Route One, on a charge of reckless conduct, and Gary Lee Krug, 23, of 2920 Cayuga street, on a charge of knowingly damaging property of another without his consent. The two were arrested Tuesday morning at the police station and released on \$3000 property bonds pending preliminary hearings Monday.

One complaint charged that on last Monday Denison threw a glass bottle containing an ignited cherry bomb into the plant where it landed near some employees, and the other charged that Krug threw a missile through a window pane of the paint shed in the plant near 20th street and Missouri avenue. The complaints were signed by Glen Keithley, personnel director.

Police received two other disturbance complaints from Pinkerton agents at the plant Tuesday, including one at the 20th street gate at 1:35 p.m. and the other at 5:15 p.m. Police reported they found no disturbance. Pinkerton agents, on Monday, reported at 4:40 p.m. that they were blocking the main gate. Police reported they "took care of it."

At 8:17 p.m. Monday, Pinkerton agents again reported the gate was blocked, but police who investigated reported they were not.

At 10:02 p.m. Monday, strikers at the union tent headquarters on West 20th street complained that rocks were being thrown at

9 Hurt in Area Traffic Accidents

Injuries were suffered by nine persons in seven of 24 traffic accidents in an area by Quad-Cities this week. Accounts of five of the injury accidents appear below, and there are separate items elsewhere in this issue giving details of the others.

Two persons were injured when auto driven by Inez R. Humphrey, 44, of 2829 Dale avenue, and Raymond Sudholt, 40, of 1435 Princeton avenue, collided at 6:53 a.m. Tuesday at Namoki road and St. Clair avenue.

Sudholt was admitted to St. Elizabeth Hospital with injuries to the left shoulder, arm and elbow. X-rays were taken. Mrs. Humphrey was x-rayed for bruises to the right facial area, was given treatment and released.

Mrs. Humphrey, who was charged with failure to yield right-of-way when a control is present, was headed west on St. Clair and struck the left side of Sudholt's car, southbound on Namoki, police said.

John Luecherath, 37, of 2623 Washington avenue, suffered an injury to his left knee at 7 a.m. Tuesday when the car he was driving collided with one driven by Harry E. Fuytink, 35, of 1353 28th street, and a passenger of his car, Katherine Davis, 32, of 2633 East 28th street, were injured at 5:40 a.m. Wednesday when his auto struck the left rear fender of a parked car owned by Richard Becker, 2607 Cleveland blvd., in front of the Becker home. Worthen was headed south on Fourth street. There was no record of hospital treatment.

James Worthen, 62, of 2637 East 28th street, and a passenger of his car, Katherine Davis, 32, of 2633 East 28th street, were injured at 5:40 a.m. Wednesday when his auto struck the left rear fender of a parked car owned by Richard Becker, 2607 Cleveland blvd., in front of the Becker home. Worthen was headed south on Fourth street. There was no record of hospital treatment.

Police, meanwhile, continued without clues as to the identity of persons who threw a dynamite bomb onto plant property Tuesday night. Police said they found no disturbance. Pinkerton agents, on Monday, reported at 4:40 p.m. that they were blocking the main gate. Police reported they "took care of it."

At 8:17 p.m. Monday, Pinkerton agents again reported the gate was blocked, but police who investigated reported they were not.

At 8:17 p.m. Monday, Pinkerton agents again reported the gate was blocked, but police who investigated reported they were not.

BIBLE CLASS AT ARMY DEPOT for youngsters of servicemen attracted 88 children for the two-week session conducted by Capt. Richmond Hilton, chaplain, assisted by wives of the servicemen. Shown above with the primary class members who are painting "Praying Hand" is Mrs. Ronald Deutschman, wife of 2nd Lt. Ronald Deutschman, commander of the 574th Engineers. The classes were held in the depot chapel.

Progress — Enthusiasm is really the only kind of fuel that will keep the fires of ambition burning.

The Whip — It's true — all the world's a stage, and most people want to occupy the critic's seat.

Extravagance — Too much aspiration without perspiration is the main trouble with modern living.

Granite City PRESS-RECORD

Page 16 Thurs., Aug. 26, 1965

Church Class Aids Aged Ministers

The Lydia Class of the First Assembly of God Church met Tuesday evening at the church. The regular monthly business session was conducted by the president, Mrs. Irene McElroy, following the opening prayer by Mrs. Lucy Burnett. Reports of the various departments were given and a contribution was made to aged ministers.

The meeting closed with prayer by Mrs. Jewel Patterson and refreshments were served to 14 members by Mrs. McElroy and Mrs. Zelia Rensing.

TUCKER FAMILY REUNION SUNDAY

The annual reunion of the Tucker family will be held Sunday at Meramec Springs, St. James, Mo.

There will be church services at 11 a.m. followed by a basket dinner, games, contests and prizes. More than 100 members of the family are expected to attend.

FORMER RESIDENTS HERE

Mr. and Mrs. James Stoffer and sons, Michael, Stephen, Danny and Patrick of Greeley, Colo., arrived in the city Tuesday to spend two weeks visiting Mrs. Stoffer's parents, Mr. and Mrs. Joseph Michaels, 2686 Iowa street, and other relatives. The Stoffers are former Granite Cityans.

Funeral Rites Held

Funeral services were held at 1 p.m. today at the Second Baptist Church for Harry Rongey, 73, who died Monday a few hours after suffering a heart attack. Burial was in Sunset Hill Cemetery. Mr. Rongey, a retired chauffeur, died in St. Elizabeth Hospital, two hours after suffering an attack.

Dancing Students Appear in 1-Hour Show At Illinois State Fair In Springfield

The following students of the Jerry Green School of Dancing appeared in a one-hour show in the Illinois Building at the Illinois State Fair in Springfield last Thursday night: Janet Zimmerman 13; Debbie Smith 13; Sandra Mabry 12; Brenda Jones 12; Pamela Libby 12; Al Stevens 12; Sherly Hancock 11; Jerry Fink 11; Tony Dettig 10; Pickett 9; Dennis Hahn 9; Tom Marie Cramer 8; Joan Hollenbeck 8; Susan Province 8; Linda Cook 8; Betty Doroshich 8; Linda Cook 8; Paula Tucker 7; Janice Jackson 7; Mary Jo Smith 7; Michelle Carver 6; Pamela Reinhardt 6; Patricia Galloway 6; Michele Schmidt 6; Grace Hahn 6; and Lisa Curtis 5.

On the opening day of the fair, the Jerry Green School of Dancing, appeared in song and dance numbers in the Agricultural Building.

The Jerry Green Studio is located at 2400 Benton, Granite City, Illinois, telephone 7-7982. Children must be 5 years of age for enrollment.

Car Hits Gasoline Pump, Causes Fire, \$1500 Damage

Damage by fire to a gasoline pump at the Curtis Oil Co. service station, 1817 Madison avenue, was estimated at \$1500 last night after the pump was knocked over by an automobile and caught fire.

The alarm was sounded about 9:30 p.m. for firemen at the main station. Police said the driver of the auto was David L. Burris, 30, of 2415 Wilson avenue. He was charged with careless driving and driving while intoxicated. A hearing is set for Sept. 11.

Burris was driving north when his auto went out of control, jumped the curb and crashed into the gasoline pump, knocking it over. Firemen believed sparks touched off the spilled gasoline.

Also damaged was an auto parked at the service station. The car belonged to Donald A. Dean, 2322 State street. The station is operated by Curtis Thompson.

Mrs. Repke, Who Visited Here, Dies in Michigan

Mrs. Steve Repke, 65, of Athens, Mich., who had been a frequent visitor here, died Monday night in the Athens Hospital where she was a patient for six weeks. She had Parkinson's disease.

She is the sister of Mrs. Mary Strautman, formerly of Granite City who now resides in Nashville, Mich. Services were held this afternoon in Athens.

Schools Opening

(Continued from page 1.)

school, 8 a.m. until 3 p.m.; Coolidge and Prether junior high, 8:30 a.m. until 3:45 p.m.

Emerson, McKinley, Marshall, Niedringhaus, Washington, Webster and Wilson, 9 a.m. until 3:25 p.m.

Friedrich, Lake, Logan and Tipton, 8:45 a.m. until 3 p.m.

Nimrod, Mitchell and Stalling, 9:30 a.m. until 3:45 p.m.

School authorities said some classes may be crowded, but not excessively so due to construction during the last two years of additional classrooms at Wilson, Nimrod, Mitchell and Niedringhaus schools. Granite City bus service is to start next Thursday.

Parochial Schools

Parochial schools will start classes next Wednesday with a half-day session. The six parochial schools in the area plan varying schedules of operation during the first week, some of them planning half day sessions on Wednesday, Thursday and Friday, with beginning of regular full-day classes on Tuesday, Sept. 7. Others, however, plan to resume full-time schedules on Thursday.

Enrollment in the six parochial schools show slight increases in some instances, and slight drops in others. Enrollment figures are subject to change, however, up to the time school begins.

St. Mark's school at Venice will conduct a half-day class Wednesday and resume regular classes the following day. According to Sister Mary Vincent at the school, approximately 100 pupils are expected to attend classes there. Classes will start at 8:45 a.m. at St. Mark's. Enrollment at St. Mark's last year was 106.

St. Mary's school at Madison anticipates an enrollment of 300 pupils in classes that will start daily at 8:45 a.m.

St. Mary's had an enrollment of 369 pupils last year. The school will hold only half-day sessions on Wednesday, Thursday and Friday, and will be closed for Labor Day, Sept. 6. Regular classes will start Sept. 7, the day after Labor Day, when the school lunch program also will be inaugurated.

425 Pupils Enrolled

Sacred Heart school in Granite City expects an enrollment of 425 pupils when it conducts half-day classes Wednesday beginning at 8 a.m. Full schedules will be followed starting Thursday, with the lunch program to be started on Tuesday, Sept. 7. Last year the enrollment at Sacred Heart was 421.

St. Joseph's school, also in Granite City, will have an enrollment of about 190 pupils, slightly under the enrollment of 203 last year. Half-day classes will be conducted Wednesday, Thursday and Friday, resuming full schedules on Tuesday, Sept. 7. St. Joseph's does not have a lunch program.

Half-day classes will be conducted throughout the week at St. Elizabeth's school in Granite City for an enrollment expected to total 556 pupils. The school had 536 pupils last year. Full-time classes and the school lunch program will start Tuesday, Sept. 7.

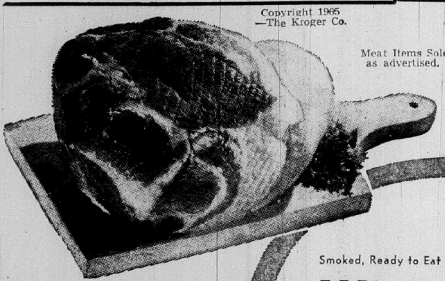

St. Margaret and Mary school in Granite City is the only exception to the half-day schedule. The school will begin classes Wednesday and continue all day, with full-time schedules thereafter, except the Monday closing for the Labor Day holiday. The hot lunch program will be started immediately. St. Margaret and Mary had an enrollment of 258 last year.

Number of Illinois Veterans To Drop by Quarter Million

Deaths and migration will reduce Illinois war-veteran population more than a quarter of a million by 1980, the Veterans Administration indicated today after a study of veterans' living habits.

The study released by VA's Information Service in Chicago shows that actually Illinois is doing better than 26 states when it comes to keeping its veterans. In 1961, Illinois had 1,328,000 veterans dating from the Korean Conflict back through the Indian Wars.

As 1965 began, the state had 1,275,000. While a nominal number of wartime servicemen had entered civilian life for the first time, this creating new veterans, it was known that 45,000 veterans in the state had died. The difference of 8000 repre-

sented the loss to the state through migration. VA's study considered migration experiences of all states, along with an expected death rate of 20.5 percent, and reported that by the year 1980 only two states — Florida and Arizona — will have more veterans than they have today.

Twelve other states will gain through this moving about habit of veterans but deaths will reduce their total veteran population. These states are: Arkansas, California, Colorado, Connecticut, Delaware, Louisiana, Maryland, Nevada, New Hampshire, New Jersey, New Mexico and Oregon. Wisconsin's loss of migration will be minimal, less than half of one percent.

Total war veteran figures for the nation show 22,431,000 in 1961, and 21,866,000 in 1964. VA estimates that by 1970, deaths will have reduced the war veteran population to 20,701,000 and by 1980 to 17,841,000. This indicates an expected death loss ratio of 20.5 in 20 years.

The total projected Illinois decrease will be 218,000 in 20 years, of which 272,240 will die and 44,000, or 3.3%, more will leave the state than will move into it.

The following table shows predicted gains or losses in selected states by 1980, based on an expected death rate of 20.5 percent and migration habits of veterans between 1960 and 1965.

Listed in order of state, migration gain or loss, population 1960 and population 1980.

Alabama, gain 6.2%, 641,000	Arizona, gain 37.2%, 160,000
Alaska, gain 28.3%, 24,000	Arkansas, gain 5.5%, 178,000

3 Wallets Lifted From Shoppers; Other Area Thefts

Two customers in Speed's store, 19th street and Delmar avenue, reported their wallets were stolen from their purses at 4:30 p.m. Monday.

Josephine Knevezich, 306 Madison avenue, Madison, told police her orchid and black wallet contained \$60 to \$70, her driver's license and papers. Doris Wilson, 2131 Waterman avenue, said her beige wallet had about \$2, driver's license and papers.

Terry Van, 38 Villa drive, reported at 4 p.m. Monday that while he was in a dressing room at Leader's department store, 19th and State streets, someone took the wallet from his trousers containing \$10, driver's license and other papers.

Restaurant Steaks Stolen
Coins from two machines, four T-bone steaks, five pounds of cube steak, three boxes of hamburger patties and 20 pounds of bulk hamburger were stolen in a burglary at the Mexico City cafe, 7901 Collinsville road, St. Paul place, it was reported at 9 a.m. and 5 p.m. Monday. Entry was gained through a window. Boards were pulled off the door on the south side of the warehouse in a burglary at Allen's market, 2225 Nameoki drive, it was reported Monday afternoon. Nothing was reported missing, but someone stepped on a battery charger and broke the glass.

Ray Hesse, 2002 Meridian street, reported to Madison police Wednesday night that burglars broke into a house he owns at 2036 McCasland avenue, Madison, and stole a cabinet radio, two end tables and a stool. Other articles were thrown around the house, he reported. Entry was gained by forcing a kitchen door.

Jessie McDaniel, 26 Simpson street, State Park place, reported that an electric can opener valued at \$16 was stolen from her home in a burglary between 7 a.m. and 5 p.m. Monday. Entry was gained by removing the front door glass.

Fishing Tackle Stolen
Two fishing rods and wheels and a tackle box containing fishing equipment were stolen from a boat owned by Clarence Macke, 2210 Thirteenth street, while it was parked under the carport at his home during the weekend, he reported Monday. He valued the material at \$100.

Robert Gumbert, 1917 Benton street, reported at 3:10 p.m. Monday that a power mower was stolen from the rear of his shed the previous night.

Use of Bridge, Tunnel For Buses is Feasible

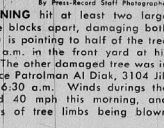

Use of the Ends bridge rail road deck and the railroad tunnel under downtown St. Louis as a private right-of-way route is feasible from engineering and operational standpoints, according to a study conducted by Sverdrup & Parcel, consulting engineers, conducted for the Bi-State Development Agency.

The study was authorized by the Bi-State commission earlier this year as one phase of a "new look" at rapid transportation possibilities for the area.

However, it makes no finding with regard to the economic feasibility of such a project. It does it compare bus transit use with other possible uses.

The plan recommended by the engineers would cost about \$8 million, exclusive of any expenditure involved in the acquiring or leasing of the bridge and tunnel.

LIGHTNING THIS MORNING hit at least two large Chinese elm trees only three blocks apart, damaging both trees. David Fricker (above) is pointing to half of the tree that was downed about 4 a.m. in the front yard of his home, 3213 Aubrey avenue. The other damaged tree was in the yard of Granite City Police Patrolman Al Diak, 3104 Jill avenue, between 4:30 and 6:30 a.m. Wind patterns during the half-inch downpour reached 40 mph this morning, and there were scattered reports of tree limbs being blown down.

GC Park District Approves New Tax Levy of \$169,920

A new tax levy of \$169,920 for the 1965-66 fiscal year — only \$701 more than that of last year — was approved by the Granite City park district board in regular meeting Wednesday night.

The amount to be raised by taxation includes \$125,044 for the general corporate fund, made up of \$63,289 for administrative purposes and \$99,375 for park operation; \$18,902 for neighborhood playgrounds; \$35,500 for park playgrounds; and \$15,775 for Community House activities.

The total tax levy of \$169,920 will be added to \$19,100 for operation of concession stands and \$16,622 for operation of the Wilson Park swimming pool to constitute a total budget and appropriation of \$237,522 for the fiscal year which began May 1 and will continue to April 30 next year.

The \$19,100 for concession stands and \$16,622 for swimming pool operation represents anticipated income from these operations, as well as expenditures, and no tax levy for these purposes is necessary.

Neighborhood Playgrounds
Total appropriation for neighborhood playgrounds was set at \$23,404 and that for Wilson Park playgrounds was fixed at \$11,673. However, neighborhood playgrounds will be self-supporting to the extent of \$82,022 of its total, and Wilson Park should have income of \$9,076. Consequently, tax levies for these operations were \$18,902 and \$5,599, respectively.

That part of the tax levy for administrative purposes includes the salary of the park superintendent, \$8800, a \$2100 salary for the secretary and \$800 for the treasurer, as well as \$1800 for the attorney's salary. In addition to miscellaneous items, the administrative fund also includes \$2004 for the Municipal Retirement Fund.

In explaining the tax levy to board members at Wednesday's meeting, Randall Robertson, park district attorney, said that the municipal retirement item of \$2004 is a new levy this year. Since the total tax levy was \$701 higher than last year's total, including the retirement item, this year's levy for all other purposes actually is lower than the levy of last year by approximately \$1300.

Park Operations
Park operation items for which tax levy is extended include a \$4500 salary for the maintenance foreman, \$23,000 in salaries for laborers and general park maintenance, \$3500 for laborers for maintenance of the ball diamond, \$7000 salaries for park police, \$8900 salaries for gardeners and \$1000 salary for a janitor. An item of \$14,500 for purchase of a park site is included in the levy.

Swimming pool operation items include a \$1220 salary for the pool manager, \$873 salary for a ticket supervisor, \$4000 in wages for life guards, \$12,000 in wages for bathhouse attendants and \$1000 wages for swimming instructors. Purchase of water is fixed at \$2360, and \$1490 is provided for paint for the pool.

Pre-School Class Purchases
In other business Wednesday night the park board authorized Park Supt. Harold Brown to purchase tables and chairs for the pre-school and pre-kindergarten classes conducted by the district. An estimated \$5,210 in the classes makes the additional equipment necessary. Brown explained. The board also authorized Brown to install 201 new four by four posts along the Wilson Park parking lanes and to purchase new tires for park district vehicles.

The board approved claims and salaries of \$25,362 for the period of July 27 through Aug. 24. This included \$9768 in claims and \$15,594 in wages.

Board members also approved a treasurer's report showing the district had a balance of \$5,210 on Aug. 11, with \$1166 in outstanding checks, leaving a net

Tri-City Radio Buys Gem Furniture Bldg.

Purchase of the former Gem Furniture Co. store building at 230 Nameoki road by Mr. and Mrs. Lyman Hughes, proprietors of Tri-City Radio Co. was announced today by the Rose Royce Realty Co., which handled the transaction.

Mr. and Mrs. Hughes said they plan to move to the new location early next month and will operate one of the largest appliance stores in the area. Tri-City Radio presently is located at 1538 State street.

The property was purchased from Dr. Val Geroff, local dentist, and Morris Chapman, local lawyer, and the transaction was closed yesterday. The price was not disclosed.

Mr. and Mrs. Hughes said they will be handling full lines of Philco and Westinghouse appliances and will be adding other lines.

Gem Furniture store, operated by Sam Friedman, closed Tuesday evening. Friedman said he is looking for a new location.

Wm. Moran Improving; Now Able to Visit Home

William Moran, 17, son of Appellate Judge and Mrs. George Moran, 2801 Idaho avenue, is continuing to improve at David Wohl Memorial Hospital, St. Louis, where he was taken June 13 after sustaining serious injuries in an automobile accident.

He is allowed to return home each evening now for a few hours but may be a patient at the hospital for some time to come, it was learned.

Returns from Hospital

E. Marshall Schroeder Jr., 2723 Harvard place, returned home Tuesday from Jewish Hospital, St. Louis, where he spent the past nine days while recovering from major surgery.

A balance of \$14,047. A total of \$2,292 was received in deposits from concession, but expenses amounted to \$17,657, leaving a current balance of \$1881. The district has \$55,000 in time deposits, the report showed.

A set of by-laws for the recently formed Municipal Coordinating Committee, an organization made up of representatives from the Granite City park district, the school district and the city of Granite City, was approved by the board.

University of Illinois

Match Needle and
Thread to Fabric

Home sewers can add to the professional look of their garments by matching the needle and thread size to the weight of the fabric.

Using the correct needle and thread size keeps seams and fabric smooth.

Sheer fabrics, such as organdy, batiste and chiffon, require small needles for both hand and machine sewing. Machine needles should be size 9 or 11. For hand sewing, a No. 10 crewel or embroidery needle is satisfactory. Crewels have longer eyes for easy threading. If you buy needles in packages containing a range of sizes, such as Sharps 1 to 3, 3 to 9 or 5 to 10, select one of the smaller needles in the package for sheer fabrics. Sharps are medium-length needles.

When buying needles, remember that the smaller the number, the coarser the needle. The number determines thickness, not length. If you prefer a shorter needle than the Sharps, buy Betweens in the proper size range. For longer needles, buy Milliners. As the name implies, they are good for basting and also for basting.

Wood, flannel, plaid, gabardine and other medium-weight fabrics will machine-stitch satisfactorily with Nos. 14 and 16. For hand sewing, sizes 6, 7, 8 and 9 are recommended.

Heavy fabrics, such as sailcloth, denim and some drapery fabrics, sew better with Nos. 18 and 19 machine needles or Nos. 4 and 5 for hand sewing.

Look for Practicality in Children's School Clothes.

Select your young child's school clothes so that they are both practical and attractive. Each garment should fit comfortably, allow freedom of movement and not hinder good posture. Growth allowance features, such as straps and suspenders that can be let down, deep hem, ruffled sleeves and use of stretch fabrics, will give extra wear.

Warm and durable colors and printed fabrics will show less soil and wrinkles than light colors and plain fabrics. Garments that are ample in design with little trim or decoration usually require less care than frilly outfits. Minimum-care fabrics are another aid to busy mothers. To check the required care, read labels on clothing in the store.

Your child's teacher will appreciate your sending him to school in clothing that he can handle without too much adult help. Front fastenings are easiest for small children. Large, smooth, conveniently placed buttons and slide fasteners with tabs large enough for small fingers to pull will help the child get in and out of wraps. Clothing without separate belts or sashes is also desirable. Children's clothing should also

be attractive and something they will enjoy wearing. It's just as important that fabric design and color suit your child's personality and coloring as it is that your clothes become you. Remember, too, that clothing helps your child to be part of a group. Therefore, it's wise to select garments that will not set him apart—either favorably or unfavorably—from his classmates.

Knit Fabrics Continue To Be Popular

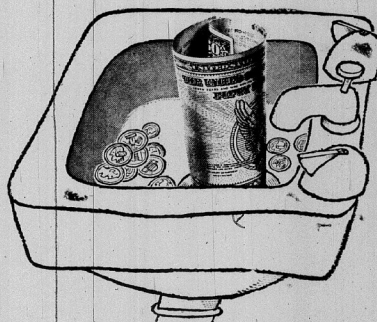

Knit fabrics will continue to be popular this fall.

For best results in making clothing from either single or double-knits, these are some pointers:

Choose a pattern with a minimum number of seams, especially for single knits. These fabrics do not handle like woven fabrics on the crosswise, so avoid horizontal pattern lines, such as yokes. Any garment piece cut on the bias should attach to a piece cut on the straight.

Like woven goods, knits have a grain, so be sure to straighten them before cutting. Baste or chalk a continuous lengthwise line along the edge of the fabric to mark the grainline. Cut on this line. Mark and cut along the crosswise yarn line at both ends. Steampress fabric to shrink and straighten grain. A large flat service, such as a bed, is good for this process.

Choose thread that corresponds to the fabric. For example, silk thread with wool or silk, cotton mercerized thread with cotton.

How to plug up the money drain

If the part of your pay you planned to save always seems to leak out of your pocket, you need a new stopper for your money drain.

The Payroll Savings Plan is one of the best plugs around—and it's guaranteed.

Here's the blueprint: just tell your employer to put aside a small amount from each pay check and apply it to the purchase of United States Savings Bonds.

Once you get it started, the Plan is fully automatic. Chances are you'll never miss the little cash you're setting aside. After all, it just leaked away before, remember?

And here's the best part. Not only have you stopped the flow, but you're putting your dollars to work

earning more dollars—\$4 at maturity for every \$3 you invested.

So stop in at your payroll department and set your Plan in action. And watch your savings grow instead of go.

Quick facts about Series E Savings Bonds

- ✓ You get back \$4 for every \$3 at maturity
- ✓ You can get your money when you need it
- ✓ Your Bonds are replaced free if lost, destroyed or stolen
- ✓ You can buy Bonds where you bank, or on the Payroll Savings Plan where you work

Buy E Bonds for growth—H Bonds for current income

Buy U.S. Savings Bonds

County Studies Proposal For Major Airport Here

Proposals to develop a major airport in Chouteau township and to form a Madison county airport authority are under study by a new committee of the Madison county board of supervisors, appointed this week by Harold Landolt, board chairman.

The location being considered is the area in which Tom Foster of Foster Aviation Inc. plans to develop an airport for small aircraft, starting after the first of the year.

Named to the committee were William G. Straube, Edwardsville township assistant supervisor, chairman; Nelson Hagman, Granite City supervisor; Milton Allen, Granite City assistant supervisor; C. A. Nicolet, Godfrey township supervisor; Jerome Klein, Collinsville township assistant supervisor; Stephen Kennedy, Alton supervisor; and Clyde Danham, Wood River township supervisor.

Straube and Foster were in Springfield today to confer with officials of the Illinois Department of Aeronautics and the Federal Aviation Agency. The state agency previously has supported development of a second major airport here.

An airport authority could be established without a referendum, Straube said, but if any such was needed, a referendum would be required. State and federal funds could be available to finance the project.

Last week the county board of supervisors voted 10-0 to acquire for industrial purposes with a special use permit for an airport and reserved an additional 300 acres adjacent to it for airport purposes.

Foster said the site is larger than Lambert field and is more suitable for development than the B-1 State Parks airport. Foster said he could sell his land to an airport authority and serve as manager of the larger facility.

She was preceded in death by her husband, Richard Fraundorf, who died in 1941, and by a son.

Jack Champion, 48, Found Dead; Shotgun Nearby

Jack W. Champion sr., 48, of 81 Garesche Homes, Madison, was found dead in the bedroom of his home at 1:15 p.m. yesterday, by his son, Jack W. Champion jr., after a telephone call from his mother, Mrs. Edith Champion, alerted him to the possibility of a tragedy.

The son summoned Deputy Coroner Francis Lahey, who met him at the apartment, where they discovered Mr. Champion lying on a bed. He had been shot over the heart and was pronounced dead at the scene by Deputy Lahey. A .410-gauge shotgun and a note were found by his side. An inquest is set for today.

According to his son, Mr. Champion had called his wife for her place of employment to say "good-bye." Immediately prior to his death, he said his father had been in a depressed state of mind as he had been unable to secure employment because of his age. Until two months ago, Mr. Champion had been employed as a laborer at Granite City Steel Co.

Born in Granite City, Mr. Champion had lived his entire life in Madison. He was a member of the United Brotherhood of America and the Madison Presbyterian Church.

He is survived by his wife, Edith Champion; two sons, Jack W. Champion jr. and Thomas R. Champion, both of Madison; three daughters, Mrs. Philip (Betty Ruth) Atkins of Waterloo, Miss Margaret A. Champion and Miss Mary Lee Champion, both of Madison; his parents, Mr. and Mrs. Bruce Champion, Granite City; and two grandchildren, Tracy Marie Champion, Madison, and Philip Michael Atkins, Waterloo.

Funeral arrangements are given in today's obituary column.

Richard, who died in 1946. She was a member of St. Mary's Roman Catholic Church in Madison and Woodmen of the World.

Survivors include two sons, Joseph Winick of St. Louis County and Barry R. Winick of Edwardsville; three daughters, Mrs. Shirley Harney, Canastota, N. Y., Mrs. Barbara Kinschloss, New York City, and Mrs. John Stupelson, Madison; eight grandchildren and seven great-grandchildren.

An obituary notice appears elsewhere in this issue.

150 Reservations for Miss Oros' Send-Off

More than 150 reservations have been made for the bon voyage party, honoring Miss Illinois, Miss Kathy Oros of Granite City, to be held Sunday in the "300" Room of the Tri-Mor Hotel, it is announced today by Raymond Lake, GC Jaycee project chairman. Included among the guests will be Gov. Otto Kerner and members of his staff.

The buffet-dinner-dance will begin at 6:30 p.m. reception, followed by brief speeches by Gov. Kerner, Illinois Jaycee President Robert Sullivan of Belleville and James Burton, GC Jaycee president, who will introduce the special guests. Orchestra music will be provided for dancing and a buffet dinner will be served at 7:30 p.m.

Among those who will honor the beauty-talent, state title holder are Dr. Quincy Doudna, Eastern Illinois University president and Mrs. Doudna of Charleston; Nicholas P. Veder, board chairman and president of Granite City Steel Co. and Mrs. Veder; Mayor Donald L. Parry; and Nick Maggus, Alton Pepsi Cola distributor, who represents the

co-sponsors of the national, state and local annual beauty pageants. Rev. Joseph A. Enright of Sacred Heart Church, who is Miss Oros' pastor, will offer the invocation. Miss Mary Blackburn, corner speech head at Granite City high school, and Mrs. Gilbert Kulekamp, a former Miss Illinois, also will be among the guests, along with several Miss Granite City contestants.

Lake reported that representatives from the Tri-Cities Chamber of Commerce, Associated Retailers and Civic Association, Optimists, Kiwanis, Rotary and

county officials, plan to be on hand for the celebration.

Leaves Sept. 4
Miss Oros will leave for the Miss America Pageant in Atlantic City, N. J., on Saturday, Sept. 4. She will depart from the St. Louis airport at 12:15 p.m. for Newark, N. J. There she will continue on another flight to Atlantic City.

All Jaycee chapters in District 8 are being invited to the airport for a send-off ceremony at 11:45 a.m., Burton announced. He added that the local club is hoping a number of Quad-City residents will participate in the airport farewell ceremony to give Miss Illinois an enthusiastic and encouraging send-off.

Two Traffic Fines—\$62

James R. McKechn, 2242 Grand avenue, was fined \$20 plus \$11 costs and fees each on charges of careless driving and speeding Monday afternoon by Magistrate Hiscott. The charges were filed July 28.

Collide in Venice

Two autos were damaged at Seventh street and Broadway, Venice, at 8:55 a.m. Tuesday. Police reported that a car driven by Virginia L. Griffin of 1824 Belmont street, collided with a car driven by Carl Rhodes of Hartford, when her car skidded on wet pavement after she applied the brakes.

Committee to Decide

The Granite City council's Finance committee has to determine if \$25 monthly pay increases included in the new budget for seven city employees who were not given increases in the salary ordinance adopted earlier this month are to be paid.

The council's action on the salary ordinance excluded the comptroller, assistant comptroller, the two city inspectors, building inspector, city hall custodian and matron, switchboard operator and mayor's secretary.

Protests for non-inclusion in the salary ordinance were made Monday night to the council by letter from Comptroller John Doherty, who pointed out that it had been assumed that the budgeting of \$25 increases for the group of city officers and employees had meant the increases were granted.

The protest, however, did not include two new employees—the switchboard operator and the building inspector, \$625 city hall custodian, \$335, and matron, \$428. The switchboard salary is \$325, and the mayor's secretary, \$428.

The \$25 monthly increases

granted retroactive to May 1 to 41 policemen, 39 firemen, 24 street department employees, the city hall maintenance man, the humane officer and city painter. A \$45 monthly boost was given the Plan Commission secretary, whose salary had been \$300-a-month.

The half-month payroll for the last half of August was approved by the council, totaling \$36,404, and also approved was the retroactive pay for the officers and employees included in the pay increase ordinance, amounting to \$10,296.

Neighbors Clear Legal Headache For GC Council

Good Samaritan neighbors eliminated a legal headache for Granite City council members by clearing rat-infested debris in the yard at an unoccupied house in the 2500 block of Washington avenue.

Orville Delton, city building inspector, advised the council of the clean up Monday night as council members were calling for the city to forget any possible legal entanglements and order the street department to clear the property.

Alderman Sternberg was pointing out that if the city failed to take the chance it would signify it permits rubbish-strewn and rat-infested areas to exist. Then Delton reported the property had been cleared by the neighbors.

Last week, a motion for the street department to clean the property was voted down as the council recalled a court case still pending as a result of a similar undertaking several years ago. The city crews cleared property in the 2200 block of Grand avenue, and the owner filed suit against the city.

Delton also advised the council that about a dozen of the city's many property condemnation suits are to be presented in the circuit court next week. He made the report as the council called for a four-family flat in the 2200 block of Grand avenue to be located up to prevent children from playing inside it.

Governor to Attend Demo Political Rally in Area

Gov. Otto Kerner will attend the second annual barbecue and political rally sponsored by the Collinsville Democratic Club Sunday at the Veterans of Foreign Wars grounds in Collinsville. The affair is scheduled the same day that Gov. Kerner is to attend the farewell dinner to honor Miss Kathy Oros, the new reigning Miss Illinois, at 6:30 p.m. in Granite City.

The governor is scheduled to arrive at the political rally in Collinsville from Marion, Ill., at 4:30 p.m. The governor is scheduled to speak briefly. Other state and district officers also have been invited to attend. The public has been invited to the barbecue and picnic.

Driving Charge Filed

Thomas B. Holman, 3301 Johnson road, was arrested at 11:40 p.m. Monday at Niedringhaus avenue and State street on a careless driving charge. He was summoned for a hearing on Sept. 10.

Battery Charge Filed

Robert Garrett, 48, of 1104 Twenty-first street, was arrested at 2:40 p.m. Monday on a charge of battery on a complaint filed by Albertia Garrett. He was released on his own recognizance pending a hearing.

Urge Drivers to be Alert For Area School Children

The council, along with Police Chiefs Ray Willard of Granite City, Emmet P. Pavia of Madison, and Frank DeWitt of Venice, pointed out that many youngsters will be going to school for the first time when classes start in the Quad-City area next Monday and Wednesday. Police officials noted that close attention should be paid by motorists to intersections and school crossings in the vicinity of area schools as an added protection to school children.

The Safety Council related that during the 1954 year, 231 children 14 years and under were killed in traffic accidents in Illinois. Two thirds of all pedestrians killed or injured while crossing in mid-block or not at an intersection, were under 15 years of age. When passing a school or driving through any school crossing motorists "must expect the unexpected from children," according to Police Chief Willard.

Pavia advised motorists to use defensive driving tactics to avoid child tragedies in traffic. Defensive driving, he pointed out, means driving to prevent accidents in spite of the wrong actions of the other drivers, pedestrians or adverse driving conditions. "To drive defensively a driver must do three things: first, he must see the hazard; second, he must understand how it could affect him; and third, he must take corrective action in time to avoid a crash."

Stay Alert
Where children are concerned there is no substitute for staying alert behind the wheel. The usual alibi of most drivers after striking a child in traffic is that "I did not see the child in time to stop." Alert drivers who drive defensively will not have to use this excuse, DeWitt pointed out. The Quad-City Safety Council pointed out that the last half of the summer season—Labor Day—will bring the usual increase in tragic accidents involving drivers who have been drinking or speeding, the council said.

Peace Corps to Test Applicants Sept. 11

An opportunity for area residents to offer their abilities to the Peace Corps will come at 9 a.m. Sept. 11, at Room 114, Federal building, East St. Louis. The opportunity is the Peace Corps Placement Test, which is not passed or failed and there is no way to study for it. It measures general aptitude and the ability to learn a language. The test is used by the Peace Corps only as a tool in the matching of volunteers with jobs. The Peace Corps application is the most important indicator of suitability for Peace Corps service. It must be filled out and brought to the exam unless previously submitted.

YMCA's Summer Program To Close with 3 Events

Three events will mark the end of the YMCA summer youth program, David Walker of the youth department announced. The end of the summer "Junior Swim Olympics" will be held at 9 a.m. Saturday for any child enrolled in the past session of swim classes. The final track meet will be held from 11:30 a.m. to about 2 p.m. Saturday at the high school stadium. The summer swim awards ceremony will be held at 7:30 p.m. Sept. 3 in the "Y" auditorium. The swim Olympics will include competitive skills on every level of ability based on the Olympic pattern. The track meet will involve 30 to 40 grade and junior high school boys, with medals and ribbons to be awarded. The awards ceremony will be during the last instructional session to the last ability level class which will start this fall. About 150 children will be eligible for promotion.

Full Registration Schedules for the fall program are being mailed to members and registration will begin Sept. 6. About 600 new children enrolled in the program this summer, swelling the youth department membership to about 1500. The total participation count was more than 1800.

The 11-week summer program began drawing to a close on Saturday. It began last June 14 and was conducted on a six-day week, 10-hour day schedule. The program included swim instruction, judo instruction, trampolines, physical fitness, track, wrestling, recreation swims, square dancing, sewing classes, art, handicraft, folk dancing, trig, lobby games, movies and clubs.

New activities included a Mitchell aquatics program, a Madison handicraft class and the mid-summer carnival.

SUMMER WORK REWARD For Jim Beasley, 2123 Stone street, who proudly sports a shiny red convertible he purchased with earnings from a job obtained through the Press-Record's free summer job-wanted ads for students in the spring. The Granite City high school student received two job offers and has been working at Ravello's Pizzeria.

SIU Fresh Receiving Booklet, Check List

Freshmen who plan to enter Southern Illinois University, Carbondale, in the fall are now receiving personal letters of welcome, an information booklet, and a 12-point check list of procedures for new students. Some 200 New Student Week leaders are writing the letters of welcome. Each leader is assigned a group of freshmen to assist in the orientation program.

The booklet, "Your Life, Southern Illinois University Style," explains SIU traditions, policies, and services to students. It also includes a briefing on the activities one may pursue and the intellectual, social and cultural resources at hand. The check list asks students to be sure they have made arrangements for such things as a medical examination before arriving on campus, housing in Carbondale, and adequate financing for at least their first year. The first activity for Southern's new freshmen, expected to number in excess of 3000 will be a meeting Sept. 15 at 2:30 p.m. in the SIU arena.

SIU Overflow May Be Accommodated At New SW Campus

The Southern Illinois University, Carbondale, campus may have to accommodate an additional 1000 or more freshmen students who cannot find room at the Carbondale campus. Many applicants received letters informing them that they may have to attend the Alton or East St. Louis centers, and inquiries have been received by officials of the local campus.

The university here is admitting new students at the rate of about 50% over last year and expects a total enrollment of 4000 when classes resume Sept. 20 and the two new buildings are opened on the new Southwest campus.

An official said the university will be unable to accept many more freshmen this fall, and "Carbondale overflow" students, mostly from away from this area, are trying to determine which new buildings are being built and if housing can be obtained.

Final touches are being placed in the general classroom office building and the Elizabeth P. Lovejoy library on the new campus. Work on the science building may not be completed before January. A communication building, including a theater and a student center, are scheduled for completion by next summer.

Also under construction are a water system and an 88-acre water reservoir.

Two ISU Graduates Accept Teaching Jobs

Two Granite City graduates of Illinois State University, Normal, have signed teaching contracts for the coming school year, the university placement service announced.

Victoria Church, 2145 Robert avenue, will teach retarded children all subjects for girls except physical education at Central junior high school here.

James Middleton, 2575 Ponton road, will teach junior high music in Glenn Westlake school, Lombard, Ill.

"Your Gateway to Money Needs"

College Seeks Replacement For Missing 'Kissing Rock'

Citizens of Carthage, Ill., refused while a college is still acquiring, mid-Illinois town near the Mississippi River, have a problem to solve for Cupid, the symbol of love: they have to find a 47 school year by September kissing rock and just any piece of stone won't do. As everyone knows, a kissing rock is a two-ton boulder, comfortable to sit on, with romantic inclinations.

According to Phillip Catliff, a Carthage merchant who heads up the kissing rock committee, the magic stone is to be installed on the campus of the new Robert Morris Junior College of Carthage. Catliff says that the campus had a kissing rock for 94 years, but that enterprising fraternity men spirited it away when Carthage College moved to Keosauqua, Wis., in 1964.

Robert Morris Junior College purchased the 44-acre, tree-covered campus in the spring of this year. It is now hardly begun Oct. 18 without a kissing rock. According to Robert Morris admissions director Dennis Schmidt, the kissing rock is important for two reasons. "First," sitting on the rock must give a student a "college hardy" there. By accident or design, dozens of marriages in Carthage have begun this way.

Female Students Needed Schmidt said that admissions to Robert Morris indicate that the college needs more women. The college is presently outnumbered by a 2-to-1 margin. Right now, the college has 1000 students in a 2000-student space for 100 additional female students.

According to Schmidt, most colleges provide fewer living facilities for women than for men. As a result, coeds' admissions are slow.

National Teacher Exams Set for East St. Louis

Southern Illinois University's Southwest Campus East St. Louis, Ill., has been designated as a test center for administering the National Teacher Examinations Oct. 2.

The tests are for college seniors preparing to teach and school systems which encourage or require applicants to submit scores in the NTE, according to Mrs. Mary Jane Loper, assistant coordinator for testing and research at the SIU-SW campus.

Designation of SIU-SW as a test center will give prospective teachers in this area an opportunity to compare their performance on the examination with candidates throughout the country.

At the one-day test session a candidate may take the common examinations, which include tests in professional education and general education, and one of the 13 teaching area examinations which are designed to evaluate his understanding of the subject matter and methods applicable to the area he may be assigned to teach.

Prospective teachers may secure their registration forms for the examinations from the SIU-SW Counseling and Testing Service, Edwardsville, or its Alton and East St. Louis centers, or directly from the National Teacher Examinations Educational Testing Service, Box 911, Princeton, N. J., where the exams are prepared. Registrations for the exams must reach the Princeton office not later than Sept. 3, Mrs. Loper said.

4 Engineer Students Honored by U of I.

Two Granite City students were designated as honor students for grades of 4.5 or better and two others were placed on the dean's list for grades of 4.0 or better by Dean William L. Everett of the University of Illinois college of engineering.

Their parents were notified of superior academic performances by Virgil Lee Malmberg, 2519 Grand avenue, and Richard Theodore Weiss, 611 Riviera drive, named honor students, and Jack Leonard Saltich, 2972 Washington avenue, and Michael Keith Mundy, 3104 Colgate place, named to the dean's list.

Honor students are entitled to special flexibility in selection of courses, may select special class sections giving opportunity for extra work, and as juniors and seniors have special privileges usually associated with graduate student status.

Applications Cut Off At Eastern Illinois

No further applications for readmission to Eastern Illinois University for the fall quarter will be accepted from students who would be freshmen or sophomores. It was announced today. Acceptance of applications from new freshmen was cut off May 3. Applications from transfer students were cut off Aug. 3.

University officials stated that the new cut-off applies to students who formerly attended Eastern, but were not here in the past spring or summer quarter.

Students who were in school last spring or summer and who failed to preregister will very probably be unable to get full schedules. It was stated, since nearly all classes at the freshman and sophomore level are filled and closed. These students are urged to defer returning until the winter quarter or to plan to register as part-time students.

Thus far, there is still room at the graduate level. In most departments there is room for returning students at the junior and senior level, but such students may take only courses numbered above 300.

Admission and readmission at all levels is expected to be stopped within a few days.

Marine Combat Training For Pvt. Gofarth

Marine Private Ronald E. Gofarth, 17, son of Mr. and Mrs. Russell Gofarth of 1329 Meridian street, has completed four weeks of individual combat training with the 2nd Infantry Training Regiment, Marine Corps Base, Camp Pendleton, Calif.

The 20-day course included over 200 hours of rigorous instruction in small unit tactics, night combat, firing weapons under simulated combat conditions and other subjects related to the Marine infantryman.

Registration Set for Rolfe Engineer Center

Registration for fall semester at St. Louis graduate engineering center of the University of Missouri at Rolla will be taken from 5 to 9 a.m. Sept. 2 and during regular office hours before that time.

Dr. Anton Braunstein, director of the Center, said that classes will begin Sept. 13 in five graduate engineering degree programs. Class sessions in each course are held from 7 to 9:45 p.m. one evening per week.

Nine Girls Complete Venice Crochet Class

A picnic was held Saturday at Venice's Lee Park for nine girls who completed a class in crocheting during the summer.

The eight-week volunteer class was conducted by Mrs. Dolph Cooper, who plans to teach the art of crocheting to Venice Girl Scouts at their meetings after school.

The girls, aged nine to 14, who participated were Rosemary Bilibrey, Janet Davinroy, Margie McCarrahan, Joan McCarrahan, Debbie Bittag, Betsy Fields, Elaine Svezia, Peggy Lee and Loretta Pace.

They made rugs, gadget bags, poolee dogs and sweaters. Some of the work was displayed at the picnic.

Mrs. Cooper commented that the children learned fast and "we bought out all the local stores of needles and yarn, along with the recreation classes, who learned the basic rudiments of knitting."

The class sessions met at picnic tables in the park and at Mrs. Cooper's home on Broadway near the park.

CROCHETING CLASS members display their new skills during a picnic in Lee Park in Venice. They are, left to right—Loretta Pace, Peggy Lee, Elaine Svezia, Betsy Fields, Debbie Bittag and Joan McCarrahan. Seated on a new rug on the ground is Janet McCarrahan. Mrs. Dolph Cooper, the instructor, displays one of the best works produced by the class, a sweater. Not present for the photo were Rosemary Bilibrey, Janet Davinroy and Margie McCarrahan.

How to Quit Smoking Tested by SIU Students

Ten Southern Illinois University students, all male over 21, are dis-

tinguished into two groups. The "bitter pill" group meets with Lichtenstein to report progress and reactions while trying to break the cigarette habit.

Known as "Smokers' Project," the study is directed by Edward Lichtenstein, assistant professor of psychology at SIU. The stu-

dent, "The pills seem to help," said William Marchese of Carbondale, one of the human guinea pigs.

"Each time I smoke after taking a pill I get dizzy and sick to my stomach."

The students in the other group receive punishment training, a pet device of psychologists for developing conditioned responses.

A small electrode is placed on the subject's leg. He is invited to light a cigarette, and as he smokes, a laboratory assistant at unexpected intervals presses a button transmitting a harmless electric shock.

"The shocks create a negative attitude about smoking," said Louis Sandbote of River Grove. "I haven't had a cigarette in two weeks."

"It is too early yet to determine which is the best method for voluntary control of smoking," said the project director.

"We'll have to wait and see if the habit reasserts itself."

Foreign Students Learn English Usage at ISU

Seven students from foreign countries will have fewer difficulties when they begin graduate studies in agriculture at various American universities this fall.

because they attended an eight-week summer orientation program at Southern Illinois University, Carbondale.

The orientation program of intensive instruction in conversational English and fundamental American agriculture continues until Friday as a joint project of the SIU school of agriculture and the graduate school's office of research and projects.

The goal is to give the students from other lands sufficient fluency in speaking and understanding American usage of the English language and enough information about the practices and terminology common to American farming so they can better compete with American graduate students in the college class-

rooms and laboratories. This is the fifth summer SIU has offered the program.

4 GC Students to Get SIU Master's Degrees

Four Granite City students will receive master's degrees at Southern Illinois University's annual summer commencement exercises at 7:30 p.m. Friday in the McAndrew stadium on the Carbondale campus. About 1000 degrees will be conferred.

They are Levoy Roy Achenbach, 2410 Sheridan avenue, master of arts; Miss Margaret Jane Barker, 2815 East 24th street, master of science in education; Roy Arthur Graham, 2440 State street, master of arts; and Jim Jennings, 1725 State street, master of science in education.

Degrees will be conferred by SIU President Delyte W. Morris. The commencement speaker will be Charles D. Tenney, SIU vice-president for planning and review and a member of the SIU faculty since 1931. Tenney will speak on "Commencement: A Backward Look."

A separate commencement will be held Saturday for graduates of the Southwestern campus.

Airman Rice Training At Amarillo AFB, Tex.

Airman James L. Rice, son of Mr. and Mrs. James O. Rice of 2870 Indiana avenue, has been selected for technical training at Amarillo AFB, Tex., as a U.S. Air Force personnel specialist.

Airman Rice, a graduate of Granite City high school, recently completed basic military training at Lackland AFB, Tex.

For Damaging Coin Boxes

Lambert A. Gallagher, St. Louis, was fined \$50 plus \$11 costs on a charge of criminal damage to property Monday afternoon by Magistrate Hiscott. He was arrested July 25 in Venice where four coin boxes at an automatic car wash at Broadway and Klein street were damaged.

Boy, 12, Suffers Broken Arm In Fall Off Galloping Horse

A horseback gallop Monday ended with a fractured left arm and multiple abrasions for 12-year-old Harold Bone, son of Mr. and Mrs. Harold Bone, 49 Shilwin drive, Arlington Heights, who was taken by ambulance to St. Elizabeth Hospital, where he received emergency treatment and then was released.

The Stallings school fifth grade pupil was riding his horse, Trixie, at a full gallop when the saddle strap broke, throwing him to the ground. In addition to his fractured arm, the youngster also suffered forehead cuts from his

eyeglasses and abrasions to his chin, right elbow and thigh and left leg. Two young brothers, who consumed an unknown quantity of chewable vitamin tablets, also were given treatment and released. They were James E., 2½, and five-year-old Carter Walker Jr., whose parents live at 1205 Kirkpatrick Homes.

Others requiring emergency treatment Monday included Helen Krakowiak, 832 Greenwood street, Madison, who slipped while leaving a downtown Granite City store. She complained of pains in the right foot, mid-back area, left shoulder and left upper arm and elbow. She complained of pain in the right foot, mid-back area, left shoulder and left upper arm and elbow. She complained of pain in the right foot, mid-back area, left shoulder and left upper arm and elbow.

Tricycle Injured
After he fell from his tricycle striking his head on a wooden building, 18-month-old Jamie Spolt, son of Mr. and Mrs. Frank Spolt, 4135 Melrose avenue, was given treatment for a head cut and abrasions. Jean Spahn, 2, daughter of Mr. and Mrs. Paul Spahn, 2013 Willow drive, struck her forehead on a television cabinet.

Ronnie Periera, 10, son of Mr. and Mrs. Manuel Periera, 4904 Mueller avenue, was bitten on the nose by a dog; John W. Williams Jr., 3, whose parents live at 2138 Bryan avenue, cut his right lower leg on a china cabinet; Miss Joyce White, 18, daughter of Mr. and Mrs. Millard White of Edwardsville, cut her left ankle on broken glass; and Jamie Paul Canter, 3, son of Mr. and Mrs. George Canter, Rural Route One, was given treatment for a cut left arm which he injured playing with a stick.

Claims 'Stolen' Car: Arrested In Theft

Joe Lewis Brown, 22, St. Louis, who called at Venice police headquarters Monday evening to report an automobile abandoned by several fleeing burglars, was arrested by Venice police on a circuit court criminal complaint charging burglary.

The car was abandoned July 25 at the Quick-Spray Car Wash at 407 Broadway by two men who had broken open four coin boxes and then were frightened away. Brown appeared at Venice police headquarters at 6 p.m. Monday and told officers he had been directed there by St. Louis police who told him his car had been recovered. Brown had reported to St. Louis police that his car was stolen on July 25.

Hairdressers Plan Sept. 10 Convention

Elite Hairdressers and Cosmetologists Affiliates 33 has been selected to serve as hostess group for the parade of affiliates banquet and show at the mid-America convention in Chicago Sept. 10-12.

Mrs. Shirley Batson will be chairman and Mrs. Kaye Jeff co-chairman for the banquet. Earl Tucker was appointed co-ordinator for the Illinois hair fashion committee program on Monday, Sept. 13, and Earl Parsons was selected as co-ordinator for the installation of officers the same evening.

Zone Change Approved For Beauty Shop

Acting on a recommendation by the City Plan Commission, Granite City council members approved Monday night an amendment to the zoning ordinance to permit a beauty shop to be located at 2330 Edwards street.

The variance was granted for Mrs. Barbara Swindle for a home beauty shop under a C-1 commercial classification in an R-3 single-family dwelling area because of adjacent commercial establishments, it was explained. Referred to the Plan Commission was a request for a one-operator home beauty shop in a residence at 2338 Grand avenue.

County NFO Hears Report on Congress

A regular monthly meeting of the Madison county group of the National Farmers Organization was held Monday evening in the Hamel, Ill., Community Hall.

The guest speaker was William Ehlers of Columbia, president of the NFO in St. Clair county, who reported on a recent trip to Washington, D.C., where he and 120 other NFO farmers from 20 states called on Congressmen and Senators urging support of higher prices on wheat. He also discussed the NFO program of fair prices.

Fined for Misconduct

J. D. Epply, 32, of 2305 Independence drive, was fined \$20 plus \$11 in costs and fees on a disorderly conduct charge Monday afternoon by Magistrate Hiscott. He was arrested Friday evening. A charge of aggravated assault was dismissed.

Four Hubcaps Stolen

Dave Sandek, 1415 Fifth street, Madison, reported at 12:55 a.m. Tuesday that four wire wheel hubcaps were stolen off his 1965 auto while it was parked after 11 p.m. in front of the Club Boundary, 14th and State streets.

Stolen Car Recovered

A 1959 studebaker stolen last Saturday afternoon from Lucille White, 2111 Leona avenue, was found abandoned at 7:30 p.m. Monday on the Bishoff farm on East 23rd street, police reported.

St. Louis Man, 20, Charged with Forgery

Muriel James Roush, 20, of St. Louis, was arrested by Granite City police at 1:30 p.m. Monday on a forgery charge in connection with the passing of a bad check for \$292 at Johnson's Music store while making a purchase.

Police said that on Aug. 3 Roush obtained checks from a counter at the First Granite City National Bank and used one to purchase a recorder. Police said he traded the recorder for a 1959 automobile, but both the car and the recorder have been recovered.

He refused to waive preliminary hearing Tuesday and a hearing was set for next Tuesday before he was returned to jail. Police said information involving three or four other checks also may be presented before the grand jury which is to convene next month.

Rites Held Tuesday

Funeral services were held Tuesday afternoon in Staunton for Winford W. Hix, 88, retired electrician of Shell Oil Co. who died Sunday in his home at Staunton. Mr. Hix was the brother of Mrs. Emma Schoen of Granite City. Burial was in Memorial Park cemetery at Staunton. He also is survived by his wife and another sister.

Found in N. Chicago

An automobile stolen July 31 in Madison from Dennis Schreyer, 1332 Madison avenue, was recovered Monday afternoon in North Chicago, Ill., according to word received by Madison police from North Chicago authorities. The car, a two-door, 1959 model, requires a new battery, authorities said.

3 Additional Firemen

GC Fire Department's Expansion Due Sept. 1st

An ordinance authorizing the size of the 36-man Granite City fire department to be increased by three men effective Sept. 1 was approved by the council Monday night.

The Board of Fire and Police Commissioners was authorized to make the appointments. An examination was conducted several weeks ago with 33 applicants participating.

In addition, the board is to name a fourth promotional fireman to fill a vacancy on the department created by the June 1 retirement of Chief Elijah King.

Fire Chief Earl Fronzberger, in a letter to the council, pointed out the department still will be undermanned even with the addition of the three men, according to national statistics. He hopes the city will be able to staff the West Granite and the Yamacraw road stations with crews of three instead of two.

The fire chief also was given permission to buy equipment for the department, including motor vehicles, hoses, ladders, all-purpose masks, filters for inhalators and 20 gallons of liquid foam.

Bids for new tires for fire department vehicles were referred to the fire committee, headed by Alderman Johnson, for study and

recommendation. Johnson requested City Atty. Allen to write the Illinois Compensatory Commission to determine if East St. Louis & Interurban Water Co. can be forced to install fire hydrants where requested by the city.

The company advised the city last week it did not have to install a hydrant at the end of Braden avenue, because a larger main would be needed, and the rate of return from domestic users would not cover the installation cost.

Parked Car Damaged

An auto owned by Juanita O. Wilhold of Alton, was damaged at the left rear Tuesday morning when it was struck by another auto and the driver left the scene. The Wilhold car was parked on the parking lot at 1200 Madison when the collision occurred.

Vandals Damage Auto

Joseph Prince, 1001 Iowa street, reported to Madison police Monday that his 1956 model, four-door automobile was damaged extensively by vandals. He said the front seat was slashed beyond repair and the front door glass was broken.

Youth Injures Foot Trying to Raise Truck

Lowell Wellborn, 18, of 2504 Dale avenue, was treated Monday at St. Elizabeth Hospital for injuries of his right foot, after a lever he was using to raise a truck axle slipped and fell onto it.

The youth had his right great toe torn, removed and received other treatment before being released.

MISS JUDY FAYE SNELL, a former Granite Cityan, whose engagement to Dr. Paul V. Ladd, a son of the late Mr. and Mrs. George E. Ladd, Miami, Fla., is announced by her parents, Mr. and Mrs. E. Leo Snell, now residing in St. Petersburg, Fla.

Miss Judy Snell Is Engaged

Former Granite Cityan, Mr. and Mrs. E. Leo Snell, now of St. Petersburg, Fla., are announcing the engagement of their daughter, Miss Judy Faye Snell, to Dr. Paul V. Ladd, Miami, Fla.

The bride-elect, a native of Granite City, attended a St. Petersburg high school, St. Petersburg Junior College and the University of South Florida. The prospective bridegroom, a son of the late Mr. and Mrs. George E. Ladd, Miami, attended the University of Miami, the University of Florida and the University of Maryland Dental School. He has a private practice in Miami.

The wedding of the couple will take place Nov. 20 at First Presbyterian Church in St. Petersburg.

Miss Snell's grandparents, Mr. and Mrs. H. C. Riggs of Edwardsville, formerly resided in Granite City.

GOLDEN WEDDING. Mr. and Mrs. John Fleming, 2712 Michigan avenue, who will hold open house in honor of the 50th anniversary of their marriage. They are shown on the left at the time of their marriage and on the right in a recent photo.

50th Anniversary Fete Set For Mr., Mrs. John Fleming

Mr. and Mrs. John Fleming, 25, 1915, in St. Louis. They have residents of Granite City for the past 32 years, will observe their 50th wedding anniversary by holding an open house for relatives and friends at their home, 2712 Michigan avenue, Sunday from 10 until seven o'clock.

The couple was married Aug. 25, 1910.

ENTERTAIN GRANDSON

Mr. and Mrs. A. H. Hoelscher, 2216 Lynch avenue, have been entertaining their grandson, William Nims, and also Jeff Cash and James Cabell of Santa Barbara, Calif. The visitors left this week to continue their vacation tour to Niagara Falls and the New York World's Fair.

The Balance

Living today is a continual tug-of-war between what we make and what we spend.

Sorority Holds Social Meeting

Eta Chapter of the Phi Tau Omega sorority met for a party Monday evening at the Parkway House in St. Louis. Serving on the hospitality committee were Mrs. Millie Greathouse, Mrs. Ethel Zimmer, Mrs. Peggy Burch and Mrs. Dolores Seibert.

Twenty-eight were present including the following guests: Mrs. Ellen Aubrey, Mrs. Shirley Seatture, Mrs. Wilma Long, Mrs. Marge Parker, Mrs. Betty Faye Vaughn, Mrs. Janet Green, Mrs. Lois Hodge and Miss Dixie James.

The evening was spent at games and winners of prizes were Mrs. Aubrey, Mrs. Seatture, Mrs. Long, Mrs. Vaughn and Mrs. Laura Boyd.

Refreshments were served after the games.

Checkerboards Set 11 Area Scouts to Attend Exhibition Dance For Jacksonville Order of Arrow Conference

A representative group of Checkerboard Squares will travel to Jacksonville Saturday to present an exhibition dance for the Scott Square-N-Aders of Scott county.

The president of the Scott Square-N-Aders, Lynn Diegel of Winchester, witnessed the Checkerboards in action last June at Dallas, Tex., and requested them to perform at the event to feature Bob Flisk of California, to receive some teenage interest in square dancing in Scott county.

Shelly Boyd, currently acknowledged as the youngest nationally-known caller in the country, will call the exhibition number.

The Checkerboard Squares received numerous invitations while at the 14th national convention in Dallas, and since their return home, to perform exhibition dances for square dance clubs from 11 trips. The Jacksonville trip is the only invitation the group could accept this summer.

But tentative plans are being made for a tour next spring of the Southwestern states as the result of inquiries from Oklahoma City, Oklahoma State University, Chickasaw, Okla., Dallas, Amarillo, Wichita Falls and Colorado Springs.

The Jacksonville trip will be Mike Haynes, Phillip Lamm, Jimmy Taylor, Ricki Couch, David Stone, Bob Whithead, Shelly Boyd, Sandy Ramsey, Sherine Boyd, Elaine Robertson, Suzanne Boyd, Linda Toder, and Shelly Weiss and Linda Celler.

On Sunday morning religious service of all faiths will be held. Meetings by the 12 Regional groups will give the delegates a chance to voice their opinion in establishing future goals and objectives of the order.

The big camp craft fair on Monday will be the highlight of the conference. It will include unusual demonstrations, displays, and exhibits from all parts of the country. Local scouts will have an exhibit featuring canoeing on the Current River in Missouri.

During each morning the delegates will attend discussion groups and workshops that will broaden the ability of the Arrow members to carry out the goals and objectives of the Order in their local lodges. Marshall Brown, the local lodge chief, will be one of the 30 discussion leaders, according to Eugene Coe, Council scout executive.

A spectacular and colorful Indian pageant put on by hundreds of Indian dance teams from all over the country will close the conference.

Those attending the conference from the Chukla Mound Council area are Paul Helrich, Linus Helrich, Henry Helrich, Mike Sizemore, Mike Gaudette, Ron Yates, Steve Willard, Don Beck, Rollin Henn from Granite City; Marshall Brown, Steve Van Patten from Edwardsville, and Karl Meyerwick from Collinsville.

150-piece Arrow man band. On Sunday morning religious service of all faiths will be held. Meetings by the 12 Regional groups will give the delegates a chance to voice their opinion in establishing future goals and objectives of the order.

Sheriff Reports 1978 Cases In 7 Months

The staff of Sheriff Barry Freundorf handled a total of 1978 cases during the first seven months of the year, according to a report by Capt. Louis F. Bowman at Edwardsville.

All cases of crimes against persons ended with prosecutions. Included were two homicides, two battery cases, five aggravated battery cases, and five alleged rapes.

Other cases included 206 general reports, 1084 miscellaneous cases, 286 burglaries, 52 stolen autos, 126 hospitalizations, 22 lost and found cases, 63 missing persons, 20 robbery cases, 21 vehicles towed in, five worthless document cases and 72 traffic accidents.

Savings Bond Sales In County—\$409,717

Madison county residents purchased a total of \$409,717 in savings E and H United States savings bonds in July, according to Henry D. Karandjett, Granite City banker and general county chairman of the savings bonds committee.

Sales in the state of Illinois were \$29,916,516, according to Arnold J. Rauert, state director of the Treasury's savings bond division. This is 0.7% below sales for last July and accounts for 77% of national sales which were \$38,000,000. Sales in Illinois in the first seven months of this year reached 57.7% of the annual quota which is \$338,100,000.

City Oks Sidewalks, Plans Other Projects

Construction of new sidewalk in the city-owned block along the fire station at 23rd street and Madison avenue and along West 25th street near Logan school was approved Monday night by Granite City council members.

The work is to be carried out under the city's contract for sidewalk installation and was estimated to cost about \$300.

Recommendation for the work was made by the Street committee headed by Alderman Sternberg, who said the two projects head the city's new sidewalk priority list.

The sidewalk along Madison avenue north of 23rd street will be about 300 feet in length and will be five feet wide and four inches thick. The West 25th street sidewalk is to be on the south side between Logan street and Missouri avenue and will be

about 300 feet in length, four feet wide and four inches thick.

Other Sidewalks
Other sidewalks which are under consideration in the near future are those along St. Clair avenue in the vicinity of St. Margaret Mary school and across Wilson Park in a joint project with the park district and to be located from Felling road to Niedringhaus school.

Sternberg pointed out the city has a number of projects which are being delayed, including the sidewalk work, because there is no city engineer. The Personnel committee has been unable to secure applicants, he explained.

Temporary Engineer
As a temporary measure, Sternberg recommended the city's motor fuel tax engineering firm be designated to carry out certain projects. The hiring of the firm, Research, Planning, Design & Associates, St. Louis, was approved for the stopgap measure.

In addition to the new sidewalks along Madison avenue and along West 25th street, the projects designated for immediate engineering—all included in the new city budget—are the widening of the St. Clair avenue bridge, resurfacing of the 2300 block of State street, the Boyle-Spalding avenues intersection and sections of 27th street at the parkway, resurfacing of a section of 21st street, the Smith street sewer

and drainage, drainage along Clark avenue and Pontoon road drainage at the Nameoki Methodist Church.

\$40,000 MFT Approved
The city was notified by the state highway department that approval has been given for expenditure of about \$40,000 motor fuel tax funds for removal of abandoned street car tracks along Niedringhaus avenue from Madison avenue to Washington avenue and along Washington avenue from 22nd street to 24th street.

Permission was given S. M. Wilson & Co. to connect a sewer line at the 16th street and Cleveland blvd. manhole to serve its new construction warehouse on the west side of the 1600 block of Cleveland.

Under study, is a similar request by Guarantee Electric Co. for a sewer connection at 15th street and Grand avenue to serve a new building in the 1500 block of Grand avenue.

Sternberg said for an added cost of about \$200 to the city, the size of the 300-foot section of sewer line could be increased from the proposed six-inch diameter to eight inches. The line, installed for each fronting lot, and the line could be placed in the center of the street instead of along private property. He was given permission to negotiate the proposal with the firm.

David Parrish Returns From Scout Center

David Parrish, Scoutmaster of Boy Scout Troop 98, chartered to Central Christian Church, has just returned from Philmont Scout Training Center, Cimarron, N. M., where he participated in a farm-city conference for which he received a scholarship from the National Council, Boy Scouts of America.

The scholarship for himself and Mrs. Parrish was awarded on a basis of outstanding leadership in Scouting, church, civic and other community organizations. Troop 98 under Mr. Parrish's leadership now has 23 active Scouts and a Troop committee of nine men. It meets on a weekly basis and carries out numerous outdoor activities, having won the National Camping Award last year. Mr. Parrish is a member of Central Christian Church, the Optimist Club, is chairman of the board of the church, is a Sunday school teacher, and is a member of the Professional Engineering Association of Illinois and Missouri.

Granite City PRESS-RECORD
Thurs., Aug. 26, 1965 Page 37

Liquor Bonds Approved for 7 Taverns in GC

Renewal of \$2000 bonds for seven Granite City taverns were approved Monday night by the city council. The bonds were presented to the council by Harold Hillmer, deputy liquor commissioner for the city.

Aldermen questioned the surety bond for Brunswick Corp. at Tri-Mor Bowl, 3701 Nameoki road, since none of the bar-in-corporators live in the city. It was noted that since the manager lives here, the firm qualifies for a bond.

Other bonds were for Mike Antonoff at Twilight tavern, 905 Niedringhaus avenue, with Julius Haisel and K. Misset as sureties; John Suramy for Yonch's tavern, 849 Niedringhaus avenue, with John Maykoppel and K. Misset as sureties.

William DuBay for Lone Acres tavern, 20th street and Edwardsville road, with Western Surety Co.; Ben Onk's, Inc. for the Drive-In Liquor store, 2500 Madison avenue, with National Auto and Casualty Co. as surety; Robert Huggins, Bob's tavern, 2100 Adams street, with William Schooley and William Beatty as sureties.

Max Bangert for Miss Mae's tavern, 1349 Edwardsville road with Charles Clark and Eugene Boder as sureties.

Park Pool to Close For Season on Tuesday

Wilson Park swimming pool will end its 1965 operating season on Tuesday. It was announced today by Harold Brown, park superintendent. He added that park officials agreed to follow last year's procedure and close the pool the day prior to the Granite City public school opening and remain closed through the Labor Day weekend. Paddlers' private pool, 2020 Johnson road, will remain in operation on a full-time basis through Tuesday and from 5-9 p.m. Wednesday, Thursday and Friday, Sept. 1-3. Keith Parker, pool manager reported, Regular pool hours from 9-4 p.m. will be maintained during the three-day holiday weekend. Parker said, with Monday, Sept. 6, the final day of operations.

Great-Granddaughter For A. H. Hulsey

Mr. and Mrs. A. H. Hulsey, 2137 Pontoon road, have received word of the birth of a great-granddaughter. The baby, a girl, arrived Aug. 19 at the Lutheran Hospital in Arlington Heights, Ill.

She is a daughter of Mr. and Mrs. Jerry D. Howell, former Granite Cityans now residing in Arlington Heights.

Mrs. Tanner Enters St. Mary's Hospital

Mrs. Ruth Tanner, 6 Eastgate drive, entered St. Mary's Hospital in East St. Louis Wednesday to undergo a series of tests and surgery.

Mrs. Tanner is employed in the business office of the Press-Record.

ORDINANCE NO. 369
AN ORDINANCE PROHIBITING THE PARKING OF VEHICLES ON CITY STREETS AT CERTAIN TIMES TO FACILITATE THE CLEANING AND SWEEPING OF THE STREETS.

WHEREAS, in order to facilitate and expedite the cleaning and sweeping of streets in the City, it is necessary that the streets be free and clear of parked vehicles; and

WHEREAS, a sweeping schedule will permit the sweeping of streets without requiring the total elimination of vehicles at that time, now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF VENICE, ILLINOIS:

Section 1: That the cleaning and sweeping of streets with the use of the mechanical sweeper shall be performed on Tuesdays and Wednesdays of each week, and shall be performed on the north side of east-west streets and on the east side of north-south streets on Tuesday, and on the south side of east-west streets and the west side of north-south streets within the City.

Section 2: (Tuesdays) It shall be illegal on Tuesday of each week to park vehicles on the east side of north-south streets and on the north side of east-west streets in that part of the City from Bissell Street north to the corporate limits between the hours of 8 o'clock a.m. and 11 o'clock a.m.; and between the hours of 10 o'clock a.m. and 4 o'clock p.m. in that part of the City lying south of Bissell Street.

Section 3: (Wednesdays) It shall be illegal on Wednesday of each week to park any vehicle on the west side of north-south streets, and on the south side of east-west streets in that part of the City from Bissell Street north to the corporate limits between the hours of 8 o'clock a.m. and 11 o'clock a.m.; and between the hours of 10 o'clock a.m. and 4 o'clock p.m. in that part of the City lying south of Bissell Street.

Section 4: That the Superintendent of Streets shall cause appropriate signs advising the vehicular public of these parking restrictions to be posted in prominent places and in sufficient numbers on all city streets on which this ordinance is to be enforced.

Section 5: That for the purpose of this ordinance "vehicle" is defined as follows: "Vehicle" includes animals that are led, ridden or driven, every horse-driven, motor-driven or muscular propelled conveyance."

Section 6: That any person, firm or corporation, or servant, agent or employee thereof, who shall violate any of the terms or provisions of this ordinance, shall, upon conviction hereof, be fined not less than \$5.00 nor more than \$50.00 for each said violation.

Section 7: That this Ordinance shall take effect and be in full force ten (10) days from and after its passage, approval and due publication.

PASSED BY THE CITY COUNCIL OF THE CITY OF VENICE, ILLINOIS, this 20th day of August, A. D. 1963.

JOHN E. LEE, Mayor
Attest: WILLIAM M. EBERSOLDT, City Clerk

ORDINANCE NO. 2265
AN ORDINANCE REPEALING SECTIONS 14.601, THROUGH SECTIONS 14.607, INCLUSIVE, OF ARTICLE 6.6 OF CHAPTER 14 OF THE MUNICIPAL CODE OF GRANITE CITY, ILLINOIS, AND AN ORDINANCE PROHIBITING THE SALE OF CANDY, SNOW CONES, ICE CREAM, CONFECTIONS, AND ANY FOOD OR BEVERAGE FOR HUMAN CONSUMPTION FROM VEHICLES ON ANY PUBLIC STREET OR SIDEWALK IN THE CITY OF GRANITE CITY, ILLINOIS.

Section 1: That any person, firm or corporation, or servant, agent or employee thereof, who shall violate any of the terms or provisions of this ordinance, shall, upon conviction hereof, be fined not less than \$5.00 nor more than \$50.00 for each said violation.

Section 2: That this Ordinance shall take effect and be in full force ten (10) days from and after its passage, approval and due publication.

PASSED BY THE CITY COUNCIL OF THE CITY OF VENICE, ILLINOIS, this 20th day of August, A. D. 1963.

JOHN E. LEE, Mayor
Attest: WILLIAM M. EBERSOLDT, City Clerk

ORDINANCE NO. 2265
AN ORDINANCE REPEALING SECTIONS 14.601, THROUGH SECTIONS 14.607, INCLUSIVE, OF ARTICLE 6.6 OF CHAPTER 14 OF THE MUNICIPAL CODE OF GRANITE CITY, ILLINOIS, AND AN ORDINANCE PROHIBITING THE SALE OF CANDY, SNOW CONES, ICE CREAM, CONFECTIONS, AND ANY FOOD OR BEVERAGE FOR HUMAN CONSUMPTION FROM VEHICLES ON ANY PUBLIC STREET OR SIDEWALK IN THE CITY OF GRANITE CITY, ILLINOIS.

Section 1: That any person, firm or corporation, or servant, agent or employee thereof, who shall violate any of the terms or provisions of this ordinance, shall, upon conviction hereof, be fined not less than \$5.00 nor more than \$50.00 for each said violation.

Section 2: That this Ordinance shall take effect and be in full force ten (10) days from and after its passage, approval and due publication.

WHEREAS, the City Council of the City of Granite City, Illinois, has determined and finds that the sale of candy, confections, ice cream, foods and beverages for human consumption from vehicles on the public streets and sidewalks in the City of Granite City constitute a traffic hazard, danger to children, and is detrimental to the health and safety of the residents of the City of Granite City, Illinois;

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS:

Section 1: That Sections 14.601, 14.602, 14.603, 14.604, 14.605, 14.606, and 14.607 of Article 6, of Chapter 14, of the Municipal Code of Granite City, Illinois, are hereby repealed.

Section 2: That it shall be unlawful to sell or offer for sale any candy, snow cones, ice cream, confection, or any food or beverage for human consumption, from any motor vehicle or any vehicle or cart of any kind, on any public street or sidewalk in the City of Granite City, Illinois.

Section 3: Any person violating any provision of this Ordinance shall be fined not less than Five Dollars (\$5.00) nor more than Two Hundred Dollars (\$200.00) for each offense; and separate offenses shall be deemed committed on every day during or on which a violation occurs or continues.

Section 4: This Ordinance shall be in full force and effect after May 1st, 1966.

PASSED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS, this 16th day of August, A.D. 1963.

DONALD PARTNEY, Mayor
Attest: HOMER PENDLETON, City Clerk, City of Granite City, Madison County, Illinois

NOTICE OF CLAIM DATE
Notice is hereby given to all persons that the First Monday in December 1963 is the Claim Date in the estate of MINNIE BONO deceased, pending in the Circuit Court of the Third Judicial Circuit, Madison County, Illinois, Estate Division, and that claims may be filed against the said estate on or before said date without issuance of summons.

Dated this 23rd day of August, 1963.

GEORGIA BONO ANDERSON, Executrix
Attest: DALE HILL, Associate Circuit Clerk, JUDITH S. ROBERTSON, Attorneys

REQUEST FOR BIDS BY THE CITY OF GRANITE CITY
Sealed bids will be received in the Office of the City Comptroller until 3 o'clock P.M. D.S.T. Tuesday, September 7, 1963 on the cost to furnish and install a Receptionist Station in the City Hall Building.

Copies of sketches and list of specifications may be obtained in the Comptroller's Office.

CITY OF GRANITE CITY
JOHN DOOHER, Comptroller

PART TIME ASSISTANT TO Human Officer
Apply City Hall, Mayor's secretary, for application. Interview Wed., Sept. 1st, City Hall, 8 p.m.

— 67 Press-Record Staff Photographer
LAST MINUTE polish for a school desk is administered by Venice high school custodian Lloyd Blumenstock as preparations are rushed for next Monday's school opening in Venice's three schools. An enrollment of about 825 pupils is expected. Classes will be conducted Monday until noon only, then resume full-time on Tuesday.

By Press-Record Staff Photographer
CHECKING SUPPLIES for the opening day of Dunbar school in Madison is Miss Emma Mae Waters, secretary of the office staff. School Supt. Wenzel Brown announced Madison's high school, junior high and four grade schools will open Monday for a half day, resume full-time classes on Tuesday. The school system's lunch program also will start Tuesday. The newly tiled floor in the room in this photograph reflects the Dunbar school improvements.

Fined for Disturbance
Ben Travis, 64, of 2237 Cleveland Blvd., was arrested at 2:45 p.m. Tuesday on a charge of creating a disturbance at 1433 Washington Avenue. He pleaded guilty Wednesday and was fined \$15 plus \$5 costs by Magistrate William E. Johnson of Glen Carbon, who is substituting for vacationing Granite City Magistrate Hiscott.

Mishap Off of Two Lots
As Henry O. Arnes, 2501 Grand Avenue, turned north onto Madison Avenue from the National Food store lot, Peter D. Stambeljev, 2235 Madison Avenue, turned south off the post office lot, causing a collision at 9:10 a.m. Wednesday. Stambeljev said a parked truck blocked his view, causing him to strike the right side of the Arnes auto.

Man in Mishap Arrested On License Charge
A car driven by Gerald Morgan, 3119 Wayne Avenue, stopped for traffic on Nameoki road at St. Clair Avenue, was struck in the left front door by an auto driven by John A. Kakupcin, 1624 Clark Avenue, who made a left turn off St. Clair at 10:30 a.m. Tuesday. Kakupcin was charged with driving with an expired license. He posted \$100 cash bail pending a hearing.

Auto Abandoned After Crash is Impounded

An automobile which was abandoned by its driver after an accident at Bissell and Refund streets in Venice at 6:25 a.m. Wednesday was impounded by police pending location of the owner and identification of the driver. Police said the car apparently was headed east on Bissell street when the driver failed to make the curve at Refund street. The car struck a guard railing on the east side of the intersection, jammed the curb and crashed into a fence across the street. Products Co. property. The car was damaged on the right side and front.

Kiwanis Host Belleville Members at Dinner

Colorful scenes of Mexico, including examples of contemporary and traditional architecture and historical points of interest, were viewed by the Granite City Kiwanis, who were hosts for an inter-club meeting with members of the Belleville Kiwanis on Monday evening.

The film presentation was given in connection with a weekly dinner session held in the Rose Bowl restaurant. Sixteen were present for the program, arranged by Alvin Gross, entertainment chairman.

Peter Jellon, first vice-president, conducted a short business meeting, during which a brief report was made by Wilbur Wagner on the recent boat races, sponsored by the Kiwanis and the Bow Lane Boat Club.

Wagner, who served as project chairman, said the annual outdoor racing classic definitely was successful despite inclement weather experienced that weekend. He added that a complete report on the club's financial status will be announced when all advertising fees are collected.

Next week, the local service organization will hold a business meeting. Starting in September, the club will resume its regular fall program with a ladies' night event scheduled for early next month.

GC Park District Preparing for Labor Day Festival

Diversified entertainment designed to appeal to all age levels is planned for the Labor Day holiday weekend at Wilson Park. Special features will include a major address at 4:30 p.m. Monday, Sept. 6, by U. S. Senator Paul Douglas; a Saturday, Sept. 5, night street dance; carnival rides and a five-day slow pitch softball tournament.

Park Supt. Harold Brown said today that additional space is available for local organizations who wish to sponsor concession booths during the celebration. He added that interested groups should contact the park district office at TR 7-3659 for space reservations.

The holiday observance will get underway at 6:30 p.m. next Thursday, with the opening of the seventh annual slow pitch tournament, featuring 20 highly-rated local teams. Competition will continue with

recessed today that Sun-nings games slated through Sunday, Sept. 5, and semi-final and final contests played on Monday, Sept. 6, and will deliver a afternoon and evening Sept. 6, grand speech at Wilson Park. The local attorney serves as the first, second, third and fourth U. S. Senator's public relations place finishers.

The 1964 tournament champions, Polish Hall, will not defend their crown in this year's contest, as the state slow pitch championship team will be competing during the same weekend at Maumee, O., for national honors.

Carnival starts Sept. 2. Carnival rides and concession stands will open for business at 6 p.m. Friday, Sept. 2, Brown said. A special kiddies' matinee is planned from 2-5 p.m. Sunday, Sept. 4, when kindergarten through ninth grade pupils can go on rides for ten cents, the park official reported.

Francis said, and will be announced shortly. Hundreds of teenagers are expected to attend a street dance at the 26th street entrance to

Wilson Park, scheduled for Saturday evening, Sept. 4. Highlighting the occasion will be television personality, Russ Carter of the St. Louis Hop, and also starring the Jesters musical ensemble. The same entertainment set a record attendance for a similar dance held in conjunction with the Fourth of July celebration.

Park district officials have expressed the hope the increased variety of amusements arranged for the Labor Day festival will provide hometown entertainment for local residents who are unable to leave town for the holiday weekend. With the local schools due to resume classes Wednesday, Sept. 1, many families are planning to stay in town for the final holiday of the summer months.

Other arrangements currently being completed in connection with the national legislator's visit here, Francis said, and will be announced shortly. Hundreds of teenagers are expected to attend a street dance at the 26th street entrance to

Wilson Park, scheduled for Saturday evening, Sept. 4. Highlighting the occasion will be television personality, Russ Carter of the St. Louis Hop, and also starring the Jesters musical ensemble. The same entertainment set a record attendance for a similar dance held in conjunction with the Fourth of July celebration.
